To whom it may concern,

As part of AFL Victoria's exciting new partnership with Victoria's Container Deposit Scheme (CDS Vic), all Victorian-based football clubs can be registered as donation partners to generate funding through the scheme.

The scheme enables Victorians to recycle and return empty drinking containers to one of 600+ refund points, in return for a 10-cent refund.

Through the AFL Victoria Partnership, this new Donation Partner program, enables community members to recycle, refund their containers, then donate their funds directly to their local football club with the click of a button!

The funds raised in this program can be used however is most beneficial to your club – Whether that is new equipment, uniforms, rewarding volunteers etc.

Watch a short video on how our 2024 Alexandra Football Netball Club managed to earn \$14,000 by participating in the scheme - [Alexandra FNC participates in CDS Vic to support their community](#)

To make onboarding for this program as easy as possible, AFL Victoria wishes to provide the following details so the Container Deposit Scheme Vic can register your club as a donation partner;

- Club's Trading Name
- Club's ABN number
- Contact Email
- Club Postcode
- Website URL (if applicable)

By CDS registering your club with these details, it enables you to skip the registration forms and jump straight into activating your zone ID! If you agree to CDS registering your club, there is no further action required from you.

If you wish to opt out of this process, please do so here [Opt Out Form](#).

To see more information on refund points and what zone you are in, please visit CDS's website [Victoria's Container Deposit Scheme | Find Locations](#).

Many thanks,

The AFL Victoria Team.
