Ticket Distribution Process - NEW

We have worked with INTIX to make this process easier for all clubs.

This year, instead of issuing the tickets direct to your club's INTIX account, we *will issue a link per team* that you can share with the playing group, for each member to claim their own ticket.

New links will be issued each week.

The claimed ticket will then have the participant's name attached, and will be housed in the participant's own INTIX account.

These links have a **capped number** of tickets available, so please only share with the players/officials assigned to this team.

Tickets are only valid for the day on which that team is competing – so tickets MUST be distributed to the correct teams.

Nominated Email Address

To support with this process, AFL Barwon needs a nominated FOOTBALL and NETBALL contact to send these links to.

Please nominate the email you wish to use via the following link:

Ticket Allocations

Under 18 Football – 35
Reserves Football – 35
Senior Football – 35

Senior Netball – 17
Junior Netball – 17

Are there any discounts for Junior Netball Players?

All Junior Netball players will be allocated One (1) complimentary adult admission with all junior player's (13&U, 15&U, 17&U, U18) allocated admission ticket.

For this offer to be valid, the junior player and adult must proceed through the admission gate at the same time – **no actual ticket is issued for the parent/guardian.**

There will be no substitutes or alternatives to this process.
