

## AFL Barwon - Netball Internship Opportunity – Season 2026

**December 2025**

### **Work Experience Overview – AFL Barwon**

We are excited to welcome work experience participants into our team and provide a valuable learning and development experience. Our program is designed to give students or recent graduates real-world exposure to the operations of a dynamic organisation, hands-on opportunities to contribute, and the ability to explore different areas of our business.

### **What We Offer**

As part of your time with us, you'll gain hands-on experience working alongside a passionate and experienced team, allowing you to contribute meaningfully to our day-to-day operations. You'll also gain insight into all areas of the business, including (but not limited to)

- Operations and Administration
- Events and Competitions
- Community Engagement
- Governance and Compliance

You will receive mentorship and guidance from team members across the Netball department, helping you build both knowledge and confidence in your work. You'll also have the opportunity to attend meetings, events, and planning sessions to gain a broader understanding of how the organisation operates. Throughout your placement, we aim to provide an environment that aligns with your individual goals, while supporting the needs of the organisation.

### **Your Contribution**

As part of your work experience, your role will involve supporting key day-to-day functions across the business. Depending on your interests and availability, this may include:
