The timekeeper must record starting and finishing times of quarters on the scorecards. They must also record times of players being sent off the ground (on departure and re-entry to the ground).

Time clocks should only be stopped when the stretcher enters the playing arena, a head count is taking place, blood rule or a player has been sent off. Scorecards must also correspond.

Clubs will be responsible for their own first aid, taping etc. during finals as per a normal match day.

## **Game ball**

Match day footballs will be supplied by AFL Barwon for all matches during finals.

## **Responsibilities fulfilled by the host club**

- Interchange Steward
- Umpire Escorts – 2 people for each match
- Trainer's table provided in both the home and away rooms
- Canteen operations

## **Presentations**

Presentations will be completed after each Grand Final game. Please ask your teams to move quickly to the presentation area after the game.

## **U19's Finals Qualification Rules**

### 26 Eligibility for Finals

1. A player must play at least three AFL Barwon Junior Football games in a particular age group with his or her club to play in a finals game in that age group.

5. Should a player qualify to represent more than one team, AFL Barwon Junior Football has clarified that players may only play in one final on the same weekend, regardless of division, gender of competition and/or age group.

\*Please note that the weekend of the 4<sup>th</sup> – 6<sup>th</sup> of August, players are allowed to play in U19's finals and another home & away game, as the rule only prevents players from participating in multiple finals in one weekend.

## **Extra Time in Finals**

1. There will be no drawn games in any finals. In the case of equal scores at the end of scheduled time, the teams will play two (2) five (5) minute periods. The match will recommence with the team kicking to the same end as they were in the last scheduled quarter, with an immediate change of ends at the conclusion of the first extra time period.
2. Coaches are permitted to address players at the conclusion of the fourth quarter. Players must be in position to recommence the game prior to the goal umpires returning to their position.
3. In the event of scores still being tied at the conclusion of these periods of extra time once confirmed by the goal umpires, play will recommence (without change of ends) and the team to score first will be the winner.
