Chairman's Report

Season done and what an effort it was. 2022 will go down as one that took an enormous amount of work and planning from every club. This was a year that I never thought we would get through without interruption. Bloody incredible when you think about the previous 2 years.

This year has seen us not only get back to normality but back to socialising at the weekend and gave us plenty to talk about during the week.

I really want to thank all players, club volunteers and any other person who made the year what it was. We have had one of the closest seasons in many years in all grades of football and netball. This made each weekend something to look forward to. The crowds came out to support and cheer their teams on. The behaviour each weekend was fantastic with little to no incidents.

To the boys Max, Drew and AJ, that cover our league through radio and social media. What an effort you put in week in week out. You guys make the league what it is today and make our league fun and enjoyable.

To all sponsors at league and club level. Your support of our league is second to none. You continue to stick with our league which is a testament to not only yourselves but the trust you have in clubs and the league.

A big thank you to all the staff at AFL Barwon and their continued support of our league. To the commission lead by Craig Keating a huge thank you and a personal thank you for the many phone calls and late-night conversations that were had to get our season done.

Congratulations to everyone who made our final series what it was. It was a huge success for your club. This year's grand finals will be remembered for many years to come. And with so many close games in football and netball shows how close our competition is.

Finally, to the CDFNL board, well done on your efforts for the year. The work done behind the seen has been a pleasure to watch. To everyone I thank you for your friendship and support during my term as your chairman.

Thanks for the last 4 years.

Peter Hickey
CDFNL Chairman

Netball President Report

2022 commenced with great anticipation after two disappointing years of little netball.

Congratulations to all club executives, coaches, players and supporters for your commitment and loyalty enabling the league to commence 2022 with all clubs fielding teams in all grades.

This year we celebrated 50 years of Colac & District Football Netball. All ten clubs enjoyed researching their history, recording a brief history in the leagues record and celebrating this important event within their clubs.

This year we had our most successful final series ever with all clubs contesting the final series, resulting in record crowds witnessing high quality games throughout the series.

Congratulations to all Premiership winners Alvie (A Grade), Birregurra (B grade) Colac Imperials (C Grade) Irrewarra Beeac (D Grade), Irrewarra Beeac (17 & Under) Western Eagles (15 & Under) and Irrewarra Beeac (13 & Under).

Congratulations must go to our Best & Fairest winners – A Grade: Joint Winners Kelly Thompson (Simpson), Georgie Custance (Apollo Bay), B Grade: Laura Parker (South Colac), C Grade: Katie McDougal (Irrewarra Beeac), D Grade: Rachel Downard (South Colac), 17 & under: Zara Walker (Irrewarra Beeac), 15 & under: Georgia Oates (Western Eagles), and 13 & under: Emmy Frith (Irrewarra Beeac).

The 19 & under Rising Star Emma McVilly award went to Irrewarra Beeac's Grace Garner. Congratulations must also go to the girls who made the Team of the Year voted for by their peers.

A big thankyou to our Representative coaches, not only for the many hours of preparation and training, but also for the friendship and guidance they offer the girls.

Six sides travelled to Eagle Stadium in Werribee to contest the Association Champions, with our two 17 & Under reaching the finals. We also sent three sides to inter-league in Ballarat to play against Central Highlands Football Netball League.

We must also thank our sponsors who without their continued support we could not continue to run such a successful competition.

Thanks also must go to the friendly AFL Barwon staff for all the assistance and work they do for the board and CDFNL clubs.

I would also like to thank Peter Hickey and the board for all the hard work that has gone into making 2022 such a successful season.

Lorraine Rodger

Season 2022 Highlights

AFL Barwon Report

This 10th Annual General Meeting of the AFL Barwon Football Commission Ltd is able to report the successful “bounce back” from the Covid-19 Pandemic that severely impacted our communities over the past two years. The hard yards that our Community Football and Netball clubs have navigated with great diligence and skill in 2020 and 2021 have been rewarded with a complete season of Football and Netball in 2022 that by any measure has been outstanding. Our army of volunteers has done a remarkable job given the challenges of the return to play protocols and the adaptation to a raft of changes to how we all work, rest and play. Our participation rate in Football and Netball at all levels has not only returned to pre-Covid levels but is demonstrating growth that exceeds the expectations of most administrators. Our Female Football competitions continue to thrive and the growth in Junior and Senior Netball numbers is most impressive. The record breaking attendances at our Finals across all formats and age groups showed the massive interest in community sport in our region and is a great credit to the leadership and enthusiasm of club administrators and volunteers.

The one area of concern is that our Clubs have reported a drop off in the return to volunteering. It is hoped that the successful completion of Football and Netball finals will remind everyone how rewarding it can be to belong to one of our Community Clubs and to participate actively in our games of Football and Netball. AFL Barwon is currently working with the AFL to provide much needed assistance to Regions, Leagues and Clubs with the intention of being able to provide training, support and other benefits to volunteers. There are significant resources being directed to this process and an ongoing funding stream that will be linked to the revenues of the game at the highest level. The revenue streams will be ongoing and as the AFL industry revenues increase the funding levels in the program will increase commensurately.

The enhanced use of technology will be part of the solution to reducing the volunteer workload. It needs to be acknowledged that the introduction of new operational systems such as PlayHQ can be seen as a burden in the initial stages of change. AFL Barwon is committed to supporting our Clubs and Leagues in adapting to the new platforms and ensuring that assistance is available to make this a positive experience. AFL Barwon has been very active in providing feedback to the platform designers who are continually reviewing the functionality of PlayHQ. The AFL is very aware that the transition to the new platform requires investment and commitment from all parties and is committed to providing the necessary support.

Another challenge in the AFL Barwon region is to be able to provide the infrastructure to match the growth in participation. The G21 & AFL Barwon Regional Strategy – Towards 2030 is an important piece of work to inform and advocate for the provision of facilities to enable the growth of our participation numbers to continue. The rapid growth in our female participation creates the urgent need for the provision of appropriate change room facilities for all participants and for the expansion of the number of playing fields and Netball courts in the region. All of this at a time when Governments at all levels are constrained by budget deficits. We must continue to advocate for the continued investment in Community Sport by Government and our Peak bodies. At the same time we will need to be prepared to maintain our own financial viability and be prepared to demonstrate our own commitment to plan and invest in our Club facilities, which includes adherence to Salary Caps and other policy measures that promote Club sustainability. We will need to remain vigilant to make sure that there is always a focus on prioritising the provision of active Communities through our local sporting clubs.

AFL Barwon is grateful for the support of our Football and Netball Umpiring bodies in our region. As with club volunteer numbers there has been a reduction in the numbers of Umpires returning to the game post Covid. There will be a focus on improved recruitment and retention of Umpires but it is not only the role of the Umpire representative bodies to grow the participation in Umpiring. There is an important role for Football and Netball clubs to play in this space to provide a safe and respectful environment for Umpires. Clubs can also be proactive in encouraging members and participants to consider becoming Umpires or being advocates for our Umpires.

AFL Barwon Report

The Strategic Planning process is currently underway. InsideEDGE has been commissioned to lead the workshops and provide support for the process. AFL Barwon looks forward to all stakeholders engaging with this process over the coming weeks to be a part of the future planning for Football and Netball in the region.

It is important to acknowledge the excellent work of the AFL Barwon Operations team. It was a very difficult time for many workplaces during the Covid lockdowns. AFL Barwon was no different. Whilst the JobKeeper payments allowed us to maintain our staff profile, the post lockdown period provided opportunities for some valued staff to advance their careers beyond AFL Barwon. The team members who took the opportunity to advance their careers beyond AFL Barwon did so with the best wishes and thanks of AFL Barwon. Under the leadership of Region Manager, Ed Wilson, AFL Barwon has assembled a vibrant team to take us forward and to provide our stakeholders with industry leading support. AFL Barwon is committed to providing our staff with the environment that will enable them to identify their aspirations and see them progress their careers. You will read elsewhere in this Annual Report of the work done by our team in their respective departments. I am sure you will all join in thanking them for their considerable efforts.

AFL Barwon recognises the great service provided by our three outgoing Commissioners since our last AGM. Ian McTaggart and Richard Underwood both stood aside as Commissioners as they had served three terms and under the requirements of the Constitution were required to do so. Pip Jankowski resigned from the Commission in February 2022 having served one three year term. Our Region is very fortunate to have enjoyed the committed work of these three Commissioners, all of whom have continued to offer support and advice to Football and Netball in AFL Barwon. During 2022 the Commission has been able to fill the vacant Commission positions following a recruitment campaign. The new appointees are Ashley West, Mick Overman, Diana Murase and Mark Wilken. The new Commissioners bring great skills that meet the identified needs of the Commission.

At this AGM I complete my third term as a Commissioner and I will not be standing for re-election under the terms of the Constitution. I take this opportunity to thank Commission Deputy Chair Michelle Gerdtz for her unstinting support to me and to the Commission. Michelle has served three years in this role and is a tremendous asset to the Commission and to Football and Netball in the region. I thank all other current and past Commissioners for their great work and contribution to Football and Netball since the inception of AFL Barwon.

Finally, I would like to acknowledge the Leagues, Clubs and Stakeholders for their commitment to Football and Netball and I hope that we can all work co-operatively to ensure the ongoing success of our Community Football and Netball Clubs. This Region is blessed with the greatest volunteers and Club leaders in Community Sport. Long may it continue to be so.

Craig Keating

Chair,

AFL Barwon Football Commission Ltd

AFL Barwon Report

2022 was a year that felt like a return to normality, albeit significant changes from the last completed season in 2019. The importance of community and the role Clubs play in connecting and supporting members, was emphasised in unprecedented ways throughout the COVID-19 pandemic. These connections have enabled Clubs and all within our community to support one another through challenging 2020 & 2021, to therefore provide a platform to return from, in 2022. Without Clubs supporting their local communities throughout the last two years, there would've been no Football & Netball this year.

The Colac District Football Netball League exemplifies what an inclusive and connected sporting community should be. Between the CDFNL Board, Club Presidents, Committees, Volunteers and all club members alike – 2022 was a success because of people. As AFL Barwon, we are immensely proud of what the CDFNL achieved in 2022 and the manner in which the League bounced back, overcoming the adversities of the last two years.

During my first four months in the role as Regional General Manager, I've been humbled by the tireless enthusiasm and commitment, so many within the Colac District community give to their local Clubs. It is this enthusiasm and commitment that gives me immense pride to lead Barwon and furthermore, have complete faith in the viability and longevity of our Football & Netball Clubs within Colac District.

AFL Barwon is extremely grateful for the unwavering commitment that all our commercial and community partners have provided us, and the CDFNL, in the last few years but especially in 2022, to ensure our full return to play, was a success. To all of our valued partners who make significant contributions, thank you for your continued support and we are committed to the continued growth and strengthening of these relationships, to ensure all Clubs can support their community, both on the field and court, and off.

AFL Barwon is also extremely grateful for the tireless dedication that all staff members have delivered in their roles. 2022 in similar fashion to many aspects of life, presented several operational challenges but due to the tenure, expertise and commitment of the entire team, AFL Barwon is well equipped for 2023 and beyond. Without the valuable members of this team, AFL Barwon wouldn't be able to deliver the services we do, to the level of professionalism and expertise expected.

In addition to the internal team, the AFL Barwon Commission led by Chairperson Craig Keating, has led the region through several challenging years to now be placed in a position of advantage, moving into 2023. The development of AFL Barwon's new Strategic Plan, due for completion in early 2023, is a significant exercise to ensure the viability of our region, and to ensure that all stakeholders within our regional community, are supported and benefit from the services AFL Barwon provides.

A further thank you to AFL Victoria and Netball Victoria for their guidance and support in 2022, navigating through significant operational challenges and opportunities. Furthermore, the role CDFNL Chair Peter Hickey has exercised, is why the league has a strong future, with significant potential on the horizon for 2023 and beyond. Peter's tireless dedication and commitment during his time as Chair is admirable and serves as a guiding path for all regional stakeholders to aspire too, and work from.

2023 presents immense opportunity for the CDFNL. AFL Barwon is extremely enthused by the opportunity to support and advance this League further, to ensure its rich history and potential, are preserved and recognised. Thank you to all members of the community for your support and continued commitment, to providing all players and members alike, the opportunity to participate in one of the best country Football & Netball Leagues, in the country. But even more importantly, be a part of incredibly supportive and welcoming community Clubs that serve our local communities with pride.

Edward Wilson
AFL Barwon Region General Manager

Football Operations Report

For the first time in 3 years, the CDFNL competition was able to navigate through an entire season and play finals football. 2022 started off with some uncertainty regarding Covid outbreaks and regulations but thankfully there were minimal disruptions to games across all age groups and it is exciting to be able to celebrate the achievements of all clubs in the CDFNL this year.

South Colac broke a 20 year premiership drought by defeating Irrewarra-Beeac in the Senior grand final by 21 points. Alvie took out the Reserves premiership beating South Colac by 43 points. Lorne came from 4th on the ladder to win the Under 18 premiership defeating the Western Eagles. In the under 14.5 competition, Irrewarra-Beeac who finished the season on top of the ladder with 17 wins defeated Apollo Bay to be premiers for 2022.

This year the CDFNL participated in Junior Football Interleague playing against Central Highlands Football Netball League. The selected players across the Under 13, 15 and 18 age groups represented the league extremely well and whilst the Under 15 were the only team to come out on top, the matches provided our players with a fantastic experience and opportunity to develop their skills as well as great exposure for our league. Thank you to our coaches Paul Listro, Joel Flanagan and Adam McNamara for their support in developing our junior players.

I would also like to acknowledge and congratulate this year's CDFNL Life Member inductees, Bryan Hunt, Eva Callahan, Elissa Rodger, Rachel Rodger & Brad Maloney. On behalf of all involved in the CDFNL, thank you for your loyalty, commitment and service to the league. To receive Life Membership is an honour is an amazing achievement and one I know you are all proud of.

Congratulations to all League Best and Fairest winners with this year's Mahoney Medal won by Alvie's Levi Dare who edged out rising star Campbell Scott from Colac Imperials. Alvie spearhead Dominic Dare took out the Goalkicking award with 88 goals. Campbell Scott capped off a fantastic season by also being selected by the Senior coaches as the recipient of the Max Gray award for best Under 21 player.

Alex Williamson from Alvie took out the Reserves Best and Fairest in a tight count with Alistair Lugg finishing runner up. Sam Kelly was the leading Goalkicker this year with 64 goals.

Mitchell Hall from Irrewarra-Beeac was the winner of the Under 18's award and runner up being Jay-Dee Baines from Colac Imperials whilst Irrewarra-Beeac's Charlie Morrissy was the leading goal kicker with 63 goals. In the under 14.5 there were joint winners for the second year with Luke Everett from Alvie and Tamar Holt from Apollo Bay both polling 34 votes. William Larcombe from Lorne was the leading goal kicker with 107 goals.

I would like to acknowledge the efforts of our AFL Barwon staff who have worked tirelessly to help conduct competitions across the region this year through some difficult and uncertain times. The difficulties and challenges were equally shared at club level, and I would like to thank all the club volunteers for their hours of work, patience and commitment this year. Clubs volunteer roles are often thankless tasks but are vital in ensuring match days can run smoothly and are very much appreciated by all at AFL Barwon.

I would like to thank the CDFNL Board for their commitment and passion to provide sound governance to benefit all clubs in the league and make the CDFNL a great competition. Finally, I would like to thank outgoing Chairman Peter Hickey for his support, guidance and passion that he has given during his time with the CDFNL. The constant phone calls, emails and catch ups have made my role with the CDFNL an enjoyable experience.

I look forward to supporting and seeing the CDFNL grow and look forward to seeing you all again in 2023!

David Harris
Umpiring & Football Coordinator

Netball Operations Report

2022 has been a fantastic year, seeing the first complete season since 2019 while simultaneously celebrating 50 years of netball in the Colac & District. 65 teams were entered across Seniors and Juniors in the CDFNL, with 6 clubs fielding D grade this season, giving more people the opportunity to keep playing netball. 2022 saw a modified fixture implemented for this grade, allowing for the number of games to be played to be maximised. This would not have been possible without the work of the Colac & District netball community to get this up and running.

Congratulations to Alvie & Irrewarra-Beeac for putting on a fantastic game in the Grand Final this year, and congratulations to Alvie for taking out the A Grade premiership! What a nail-biting game, going right down to the wire! It was incredible to see the support that swarmed the netball courts for both sides and certainly speaks to the love of community sport in the Colac region.

Georgie Custance (Apollo Bay) and Kelly Thompson (Simpson) also kept the Val Russel Best and Fairest vote count interesting, ultimately tying for the top honour. Congratulations to you both on a terrific season.

I'd also like to congratulate, Elissa Rodger, Rachael Rodger and Eva Callahan on receiving life membership to the league. Your services to not only netball but to the wider league could not be more valuable and we look forward to seeing what you all do next in the world of netball.

To Lorraine, Eva, Cassie & the board, thank you for your assistance and support through the 2022 season. Coming on board with the CDFNL half way through the year, you certainly made the transition a breeze. To Tracey and the representative coaching team, the work you do is invaluable and to see each of your teams perform at Association Championships was reward for the time and effort you put in to planning this program. I look forward to seeing the strength of the CDFNL teams & players continue to develop.

I look forward to further developing my relationships with the Colac & District clubs in 2023 and beyond, and am looking forward to getting a full season underway with you all again.

Sophie Murley

Netball Operations Manager

Season 2022 Highlights

OFFICE BEARERS

The Alvie Football Netball Club had a successful year and ever so proudly celebrated our 100th year!! We had wonderful celebrations where many faces returned to the club and shared stories of the different eras. It was so inspiring to hear from players who had played in multiple premierships in both football and netball. On field – the club was excited to have the A Grade netball win their 2nd premiership in recent years. The Reserves grade football also winning its third premiership in six years. We had individual winners – with Levi Dare winning the Senior Best & Fairest and Luke Everett winning the under 14.5s Best & Fairest. The club wishes to extend its sincere thanks to our President and Committee for their work during the last year, as well as our many members and supporters who continually turn up to cheer the Red and the White.

For our small coastal town it was great to be able to field teams in all age groups in both Netball and Football this year. Like all clubs, we recognise and value the importance of the many aspects it takes to keep clubs operating. We thank our many sponsors, members, supporters, players, trainers, umpires and volunteers a virtual army of people who contribute to the success of our Club both on and off the field. With our A-Grade and Under 15 netballers making it to the finals as well as our under 14.5 footballers who made it all the way to the Grand Final. It was great to see our players with league best & fairest with Tamar Holt in the under 14.5 football and Georgie Custance in the A-Grade netball as well as Rhi White and Damian Zaparenkov both being named in the teams of the year for netball & football. The Apollo Bay Football Netball Club enjoys and embraces the fabulous community support we receive.

BIRREGURRA

OFFICE BEARERS

A season with so many highlights, but no doubt the B Grade Netty Premiership was the pinnacle for the BFNC in 2022. Seven teams featured in finals action, but it was the mighty B Grade girls who enjoyed the ultimate success and did they go on with it – well deserved and well done.

In other news the BFNC signed a returning local in Kane Leersen to the senior football coaching role, which has set the foundation to push further forward with the goals and aspirations set out in the BFNC *Towards 2025 Master Plan*. Kane's credentials and vision for the club are well aligned with our strategic direction, looking for the coming years at the mighty guz.

In 2022 we enjoyed record membership and increased sponsorship from our valued partners who play an invaluable role in supporting us on and off field. New state of the art oval lighting is now operational including 150lux luminosity which was well received by the lads who battled for many years under candlelight. The Recreation Reserve Committee are working harder than ever to secure funding for the club/ social rooms redevelopment, fully supported by the local community and user groups. Looking forward to the 2023 season.

2022 Season was a great success for our club to get back playing after the previous 2 years of Covid.

We were able to hold 2 games under lights which were both a great success.

Our Senior & U/18 football sides were able to play finals and, we had netball sides play finals as well with our C grade winning the Premiership.

We had players in every team voting extremely well in the league B&F's, with Campbell Scott also winning the Max Gray award.

Our club is in a stable position with our Seniors & Reserves football coaches (Paul Liistro & Warren Mackay) being reappointed for next year. Coaches are still to be confirmed in all other grades of Football & Netball.

Off field was another successful year which sees the club in a solid financial position. The committee have been working hard and much has been achieved this season that will hold the club in good stead for the forthcoming season.

IRREWARRA-BEEAC

The 2022 Football and Netball Season was a very successful one for the Irrewarra-Beeac FNC.

We had 10 out of our 11 sides making it to The Finals Series. This being the reason we also scooped the pool and won the Club Championship once again.

The Under 13, Under 17 & D Grade Netball along with the Under 14.5 Football side were all crowned Premiers on Grand Final day.

Our Senior Footballers and A Grade Netballers played in amazing Grand Finals on the day. Both only going down marginally.

All our teams also fared very well in the Best & Fairest counts held after the Home & Away season, with many individuals taking home Best & Fairest or Runners-up trophies on the night.

More exciting news for the Club is we have had our new Football lights installed at the Warrowie Recreation Reserve, so we expect to play some night games next season.

See you all in 2023
Go Bombers.

Lorne Football & Netball Club commenced the season with the opening of the new look Stribling Reserve and held a ripper Easter Saturday game against Alvie. The season rolled on with some up and down games in the senior football and some very consistent wins in the reserves. Our junior football teams worked hard throughout the year to fill sides but managed to put it all together in finals with under 14.5 in and preliminary final and our under 18s winning the flag. Our netball teams worked tirelessly throughout out the year again managing to fill both junior and senior sides and putting up some real competitive games in all grades. We would like to thank all volunteers, members and sponsors for their contribution in the 2022 season and a thank you to Lee Hollmer and Clive Goldsworthy who will be stepping down as President and Treasurer this year.

The club took giant leaps forward in 2022. Senior football were much more competitive, reserves had a core list of players which helped in fielding a side each week. Numbers were solid for junior football with some good signs for the future from the young list of u/14.5 and a handful of u/18 featuring in senior football in 2022.

Netball numbers were solid in all grades and while only one side participated in finals, we had a few that were on the cusp but didn't quite get there.

The club has filled all coaching positions for 2023 and with the lighting upgrade complete as well as some renovations/refurbishments at the clubrooms, we are all looking forward to 2023. GO DEES!

Seniors Football: 8th 2021, 5th 2022. Good result given lack of depth. Reserves coach often needed to call players to play but 16 afield helped. Junior numbers ok but long term will always be a concern. Auskick and U12 numbers good but unknown how many will stay or not. Points and salary cap were good.

Netball

A, B, and D made finals; good result. Couldn't field U17 team. Hope to rectify this next year. Junior numbers in same situation as football. Net-set-go numbers ok.

Overall, player behaviour and conduct was great on and off the field/court. Overall player by-in was good but we'll be looking to build on that next year from more of a volunteer point of view.

Did struggle to get connection between senior and junior players across footy and Netball teams and this will be something to work on for the 2023 season.

The South Colac Sports Club had a very successful year across all football and netball grades. We were excited to have 6 teams make the Grand Final including: U15s, B, C and D Grade Netball, and Reserves and Senior Football, with the Senior Footballers winning the Premiership. This was our Club's first Senior flag in 20-years, which made it extra special.

A focus for Season 2022 was our Juniors and their development, and to increase junior participation. All our juniors had a great year, and we were successful in attracting more U14.5 footballers and bringing more families to the Club. Although we were not able to get an U18 football side together, this is now our highest priority and we are confident that we will have a side for Season 2023 and beyond.

All in all, Season 2022 exceeded everyone's expectations with regard to on-field success, and the enjoyable family culture that we are building.

WESTERN EAGLES

OFFICE BEARERS

In 2022, we entered 6 netball teams & 4 football teams. All junior netball sides made the grand final with U 15's securing the flag, while C Grade bowed out in the Preliminary Final.

Positive signs were seen in both A & B Grades, with both sides showing they could be competitive.

Our U 18 footballers made the Grand Final & put up a courageous fight. Our U 14's won some games despite being the smallest & youngest side in the competition.

What they lacked in size, they made up for with enthusiasm.

Our Reserves & Seniors faced their challenges with courage & pride and can only improve.

Each year is a learning curve with adversity & challenges to face and despite this, there is a real positive vibe at the Western Eagles & we look forward to the future.
