AFL BARWON FEMALE PLAYER POINTS SYSTEM (PPS) POLICY

1. Objective of the PPS Policy

The AFL Barwon Female Player Points System (PPS) has been created as an equalization measure for the Female football competitions in the AFL Barwon Region. The policy is being implemented in the infancy of the competition to reduce the impact on clubs once the competition has been established. This Policy is to be read in conjunction with the AFL Barwon Local PPS By Laws document.

Even and fair competitions lead to interest, which leads to bigger crowds, which leads to stronger clubs and competitions. Even competitions allow supporters and club volunteers the chance to turn up on any given match day with the knowledge that the outcome of the game is uncertain and that their team is a chance of winning. This mindset motivates people to become and remain engaged with their community club and provides rewards and recognition to all those that assist in putting a team out on the field.

The philosophy of competition equalisation is accepted in sports all around the world. Professional sporting bodies have accepted practices such as drafts, salary caps, and the like in order to help competitions ensure competitiveness and club sustainability.

The objectives of the AFL Barwon Female PPS Policy are as follows, to:

1. support equalization of Female Football Competitions;
2. ensure teams fielded in the Competitions are strong and as equally matched as possible;
3. provide the best opportunities for players to develop and display their skills;
4. provide opportunities to compete at a community level within an orderly and fair system;
5. enable team spirit and public support;
6. encourage community and corporate sponsorships of Community Clubs;
7. promote player loyalty and junior development;
8. support the role volunteers undertake in managing their Clubs by;
 - providing a more competitive environment on field, that encourages more volunteers to support at Club level
 - providing incentive to spend more time and effort in the development of football, a welcoming Club environment and growing the game within the local community.

This PPS Policy sets out a framework of rules and guiding principles in relation to a player points system which should be adopted by Community Clubs in order to achieve the above objectives.

A reference to:

“Aligned Junior Club” is where seniors and juniors exist under the same constitution, or where there is a Memorandum of Understanding (MoU) in place between standalone senior and junior clubs that is approved by a Metropolitan League or Region Commission. To be considered an ‘Aligned Junior Club’ an MoU must be approved by the relevant Metropolitan League(s) and/or Region Commission(s) to ensure appropriate player pathways exist using the document detailed at Attachment 11.3 of this policy.

“Transferred” refers to the formal transfer authorised under the National Player Transfer Regulations.

“Unique local conditions” refers to the conditions, environment or circumstances which are unique to a Community Club or a region of Community Clubs which may give grounds for a reassessment of a Club’s Total Team Points as determined by the Region Commission.

Victorian affiliated Community Club means a Community Club affiliated to a Victorian based Metropolitan League or Region Commission by way of an authorised licence or affiliation agreement.

3. AFL Barwon Commission Responsibilities

Total Team Points

- 3.1. Determine the maximum permitted Total Team Points that may be allocated to any individual club for the ensuing season.
- 3.2. Determine the Total Team Points allocation per Senior Team for the ensuing season.
- 3.3. will consider all applications from Community Clubs for the allocation of additional Total Team Points in accordance with AFL Barwon Local PPS By Laws.
- 3.4. may allocate additional points or apply deductions to Total Team Points to specific Community Clubs in accordance with the AFL Barwon Local PPS By Laws to manage unique local conditions and meet the needs of local Community Clubs and the relevant senior Competitions.

Player Points Allocation

- 3.5. will liaise with Community Club's to ensure Player Point Allocations are entered via the Footyweb System prior to any player's first Senior Home and Away Match of each Season and will review the Player Point Allocations entered by the Community Club.
- 3.6. as part of the Player Point Allocation process, The Commission may provide the opportunity for Clubs to seek a reassessment of any player's Player Point Allocation. Any reassessment against a Player Point Allocation should be made in accordance with the AFL Barwon Local PPS By Laws.
- 3.7. once the process in clauses 3.4 and 3.5 has been undertaken, any player's Player Point Allocation will be fixed for that Season.

4. Affiliated Club Responsibilities

Each affiliate Community Club:

- 4.1. will determine each player's Player Points Allocation for its Senior Team. This determination may include any additions or deductions applicable to each player in accordance with this PPS Policy. See appendices 11.1 and 11.2 for applicable PPS table and flow chart to assist in this process.
- 4.2. will enter Player Points Allocations into each relevant player's membership details using the Footyweb System prior to the relevant Community Club's First Home and Away Match of each Season, or a player's first Senior Home and Away Match of each Season
- 4.3. acknowledges that if a Community Club does not follow this procedure and decides to play a player in a match in a Senior Competition, who has not had their Player Points Allocation reviewed and entered into the Footy Web System, that Club will bear the risk of any subsequent enforcement penalty as determined by The Commission in accordance with this PPS Policy.
- 4.4. will ensure that on match days the Senior Team does not exceed that Club's Total Team Points. For the avoidance of doubt, Community Clubs may recruit above their allocated points in any given Season but must comply with the Total Team Points allocation on match days.
- 4.5. may make an application to the AFL Barwon Commission for the allocation of additional Total Team Points in accordance with the AFL Barwon Local PPS By Laws (i.e. for unique local circumstances).

5. Player Points Categories

5.1. A player's Category and the subsequent Player Points Allocation will be determined by that player's playing history and achievements and is structured in a way to promote player retention and loyalty.

5.2. Each player expected to play in the Senior Team of a Community Club will be allocated a Category and a Player Points Allocation as follows:

5.2.1. Category 1 – Home Player – 1 Point

- a) Player who has played 40 or more games over a minimum of 3 seasons at the aligned junior club up to and including U18 Competition; or
- b) Player who has played a minimum of 5 games in each of any 5 consecutive seasons for the club or the aligned junior club up to and including Under 18's or
- c) A player who has played only at that Community Club or an aligned junior club, and for no other Community Club; or
- d) A player who has not played Competitive Football in the previous 36 months.

NOTE: Under the Category 1 definition, a player may be categorised as a 'home player' at more than one Community Club.

5.3. If a player does not meet the Category 1 'home player' eligibility above, their points Category will be assessed based on the highest playing level achieved prior to the player joining the current club in the following Categories:

5.3.1. Category 5 – AFLW Player – 6 Points

Player who has played a minimum of one AFLW game in any of the current or previous three (3) Seasons.

5.3.2. Category 4 – State League – 5 Points

Played at least 5 senior games of VFLW, SANFL, WAWFL, QWFL, TSLW, SWPD, CWD or NTWFL in any of the current or previous 3 seasons.

Note: Games played at State League Level prior to 2017 will not be included under this Category.

For example a player *would not qualify* in this category for the 2019 Season if that player has played as follows in the previous three (3) Seasons:

Season 2018 – 4 games
Season 2017 – 3 games
Season 2016 – 2 games

However, a player *would* qualify in this category for the 2019 Season if that player had played as follows in the previous three (3) Seasons:

Season 2018 – 0 games
Season 2017 – 6 games

Season 2016 – 2 games; or

Season 2018 – 5 games

Season 2017 – 0 games

Season 2016 – 0 games.

NOTE: where a Category refers to “a minimum of 5 games in any of the previous 3 Seasons”, the above calculation example will apply.

5.3.3. Category 3 – Under 18 Girls Talent Pathway Competition and Premium Community Player – 4 Points

- a) Talent Pathway player - who has played a minimum 5 Talent Pathway Cup games in any of the current or previous three (3) Seasons; or
- b) Premium Community player – who has achieved a club senior best and fairest top 5 finish, in senior Competitions only, in the previous Season.

5.3.4. Category 2 – Senior Community Player and Transferred Junior Player – 3 Points

- a) Senior Community player – who has played 5 senior games in total, over the current and previous three (3) Seasons at community football level. This also includes:
- b) Transferred Junior – a player who was recruited from an U18's (or younger) Competition and who does not meet Category 1 eligibility.

5.4. A Community Club that has a player that does not meet any of the above player Categories will need to apply to their affiliate Player Points Panel and Region Commission to determine the appropriate Player Points Allocation. In determining the Player Points Allocation, the Region Commission will have regard to all relevant factors so as not to unreasonably restrict the player's movement between Community Clubs or a player's opportunity to play football at a Club of his choice.

5.5. For the purposes of a Player Points Allocation, a playing coach or playing assistant coach is classified as a player and will be assessed under the above Categories.

5.6. A player playing on an Interchange Agreement as detailed at clause 3.9 of the National Player Transfer Regulations (i.e. a permit player) will be assessed on the same basis as transferred players.

6. Additional player point allocations:

6.1. If a player transfers to a Community Club and will be competing against their immediate former Community Club, an additional one-point penalty will apply.

6.2. Subject to prior approval by the PPP subcommittee, the Region Commission may apply an additional two points (instead of one point under clause 6.1) as required by the unique local conditions in order to meet an objective of this PPS Policy. This two-point addition is a discretionary rule and it is the responsibility of the Region Commission to communicate to its affiliate Clubs if implemented. For the avoidance of doubt, the one-point addition is not discretionary.

- 6.3. Where a player has registered at three (3) or more different Community Clubs in three (3) seasons, one additional point will be applied to that player's Player Points Allocation. In determining the 3 season's timeframe, clubs shall assess the current or upcoming season as the first season along with the previous two (2) seasons, as detailed in the example below.

Club A – 2019 season
Club B – 2018 season
Club C – 2017 season

For the avoidance of doubt, player movements under a permit arrangement e.g. to a State League, Talent Pathways Girls, NTFL club or under local interchange agreements, where their home club is classified as a Victorian affiliated Community Club, will not be penalised under this clause.

- 6.4. A Community Club may make an application for a re-assessment under clause 7.3 to the PPP in relation to a player's additional point allocation.

7. Deductions and Amendments to player points allocation:

- 7.1. Once a player's Player Points Allocation has been determined, a reduction of one point will apply for each 'Season of Service' to that player's Community Club (minimum 5 senior or reserves games per Season), even if not in consecutive years, until the player reaches not less than 1 point. (This is the minimum number of points a player can have). For the avoidance of doubt, if a player is eligible for underage football at his Club, they must play 5 senior games to meet the criteria for a Season of Service point reduction.
- 7.2. Where a player qualifies in more than one Category based on their playing history in the current Season or any of the previous 3 Seasons, the Category with the highest points will apply, hence the use of the flow chart in appendix 2 (Category 1 - Home Players are excluded).
- 7.3. The PPP may, acting reasonably, reassess an individual player's Player Points Allocation where it is deemed inappropriate based on playing history and circumstances. In addition, Community Clubs may make an application in accordance with the Local PPS By Laws detailing relevant evidence regarding the reassessment of a player to the PPP.

8. Total Team Points

- 8.1. The Commission will undertake their own process of Total Team Points allocations and will be responsible for determining Total Team Points for their affiliate Senior Competitions and Clubs. Any alterations to a Community Club's Total Team Points cap for any other reason must be prior approved by the PPP subcommittee.
- 8.2. For each match, a Club must ensure that the Total Team Points allocation is calculated based on the maximum number of players allowed to participate in a match for that Competition and this should be consistent for each match within a Season, within each Competition. For example, if the maximum number of players on match days for the Competition is 22 players, a Club cannot submit a team list of 21 players to meet the Total Team Points cap. For the avoidance of doubt, a Club must list the maximum number of players allowed on its team sheet in calculating its Total Team Points.
- 8.3. For exceptional circumstances (i.e. not having enough players to field a full Senior Team) 2 points will be added for each player under the limit. (ie if 18 players are listed, and the maximum number of players is 22, then 8 points will be added to the total of allocated points for the 18 listed players.) Required procedures for these circumstances will be advised by AFL Barwon.

9. Enforcement

- 9.1. The Player Points Allocations will be managed via the Footyweb System, if correct procedure is applied, with Players Points Allocation entered into the system prior to the start of the Season, it is envisaged there will be minimal issues in the management of the Player Points Allocations. Errors are less likely, given that Footyweb will not permit a club to complete a Senior Team into an electronic team sheet that has a combined Total Team Points allocation of more than that Club's permitted point's cap.
- 9.2. Should any Club make a false or incorrect declaration regarding Player Points Allocations, the Club may be penalised by the Commission as outlined below.
- 9.3. Penalties may include (without limitation):
 - (a) Club fines
 - (b) Relegation (when in a divisional competition)
 - (c) Loss of premiership points – current season and in the future

- (d) Suspension from finals – current season and in the future
- (e) Player / Official suspensions – for those players/ officials that knowingly provide false information to the Club;
- (f) Any other penalty determined by the Commission.

In applying any enforcements provisions in relation to any breach of the PPS Policy, The Commission shall take into consideration whether the breach was assessed as:

- Unintentional - where a club had not been provided with accurate information.
- Interpretive - where a club had applied the policy in a manner than was the policy was not intended.
- Intentional - where a clear breach had occurred with little or no regard to the requirements of the policy.

10. Appeal and Review

- 10.1. Where a Community Club is of the view that a player's Player Points Allocation is deemed inappropriate under this PPS Policy following a reassessment conducted by the PPP, an appeal against that Player Points Allocation must be submitted to The Commission in accordance with the Local PPS By Laws.
- 10.2. Where a Club is of the view that its own Total Team Points is deemed inappropriate following a reassessment by the PPP, an appeal against that Player Points Allocation must be submitted to The Commission in accordance with the Local PPS By Laws.
- 10.3. The PPP will review the PPS Policy and Local By Laws throughout each Season.
