# Chairman's Report

The 2018 season kicked off with the Geelong V Essendon preseason match held in Colac. It was a great opportunity to promote football in our region, a large crowd attended with the financial benefits flowing back through to the whole community including CDFNL clubs.

2018 saw the addition of a new board member in Jim Allen and the loss of a valued one in Peter Hickey. Bryan Hunt stepped up to the treasure's role and did a fantastic job. We have continued with a closer working relationship between the CDFNL football and netball boards. This will see the adoption of a new constitution and the official merger of the two boards into one for the 2019 season. The combined best and fairest nights were again a great success, an example of what can be achieved by working together and I am sure we will continue to grow our relationship moving forward. Thank you to Lorraine and her board members and my fellow board members, for making the transition for the long-term benefit of both football and netball in our league. Also, to Bryan Hunt and Ian McTaggart for the time and effort put into the new constitution

Our senior interleague campaign this year was much more successful under the guidance of Steve O'Dowd. With a strong home win against the Kyabram and District Football League, we thank him for the time and effort that he put in. We could not have asked any more of him and result was well deserved. The commitment of the players and Steve cannot be questioned, and I am sure they enjoyed their well-earned success.

Thanks to Ted Ivermee and his tribunal members for volunteering their time to make sure the standards of the Colac and District Football League are upheld. It is an important function of our league and while not always popular, depending on which side of the table you sit, we thank all members for their contribution throughout the season.

Thankyou also to the Colac and District Football Umpires Association for your contribution to the 2018 season. Going forward, umpiring numbers are still a challenge. We all need to support and encourage the umpiring group. We also acknowledge the help of the club umpires who do a great job in filling the gaps each week, but our long-term aim must be to supply independent and accredited umpires in all grades.

To our member clubs, for providing the opportunity to both male and female, young and not so young to participate in both football and netball. Volunteers are hard to find and I hope the players understand what goes on behind the scenes and appreciate your work.

To our broadcasters Mixx FM and the team led by Max, Drew, AJ And Peter Hickey thank you for raising the profile of our league in your entertaining and informative way, your topics certainly create debate, as intended, and your interviews pre and post-game let us add personalities to names we know as players, but not as people. Keep up the good work.

A big thankyou to Lee, Michael, Sean, Deb, Will and Tayla at AFL Barwon for their support throughout the season. It is a pleasure to work with you. To Lee, we wish him all the best in his future endeavours, your contribution to our league has been greatly appreciated

To Luke Maher, and his fellow FDMs thank you for your work throughout our region. Your presence in Colac is well noticed and appreciated. Your work along with Simon Dewarr, Ian Seuren and Peter Hickey on the Junior review has been outstanding, and will hopefully ensure a viable Junior competition in our community

To the AFL Barwon Commission, led by Craig Keating thank you for your support and guidance during the season

On behalf of myself, I would like to thank my fellow board members, Maurice, Middleton, Jim Allen, Phil Cobbledick, Bryan Hunt, Daryl Wilkinson, past board members Peter Lucas and Peter Hickey for your support in my time as chairman. To Loraine and the netball board thank you also, it has been greatly appreciated by me and finally to all our member clubs, I have enjoyed working with you and value the relationships we have formed, I wish everyone success for the 2019 season

The Association is committed to the education of both umpires and coaches. Seven umpires received their C Grade Badge during the season.

We again participated in Spirit of Sport run by Victorian Police Blue Ribbon Foundation. This is awarded weekly to a 17 & Under netballer and aims to target behavioural standards in sport by encouraging and rewarding fair play, sportsmanship and mutual respect among team mates and competitors.

Once again I thank our sponsors for their ongoing support without who we could not function so successfully.

Thank you to the Colac & District Football Netball League Board of Management for the continued support and the great working relationship we continue to have.

Congratulations to outgoing chairman Peter Mulheron who has successfully completed four years in this position. Thanks Peter for your support and friendship.

# AFL Barwon Report

The 2018 Colac & District FNL season has provided yet another successful year of community football and netball. This season again showed many quality players making their way to the league, showing that the competitions continue to improve standards on both the field and court.

With our Region in the 3<sup>rd</sup> year of operation under a Football Player Payment Policy and the Points system, clubs continue to now look more closely than ever at their junior programs and invest in player recruitment strategies. With Salary Caps now fully cemented in the local football landscape, clubs should find relief knowing that they do not have find ways of covering excessive spending to compete each week. Both systems will continue to be reviewed and improved on an annual basis, in conjunction with AFL Victoria.

Thanks' must go to the hard working CDFNL Board led by Chairman Peter Mulheron. Peter has the best interests of the CDFNL at heart and continues to work closely with AFL Barwon staff on improving all processes. Thank you also to the other board members, Daryl Wilkinson, Peter Hickey, Brian Hunt, Phil Cobbledick and Maurice Middleton for their leadership, guidance and local knowledge. The Netball executive led by Lorraine Rodger and comprising Sue Melican, Sue Hester, Sue Kerr, Eva Callahan and Catherine Moore has further strengthened their relationship with the AFL Barwon Netball staff, in what has been an enjoyable year together.

As always, the AFL Barwon staff who look after the day to day operations of the CDFNL have proven the importance of a professional administration. A large thanks must go to Michael Limb (Operations Manager) who is in frequent contact with the board to make sure the week to week operations run efficiently and also services the clubs with a high level of professionalism. Thank you also to Tayla Ellis who has played the role of Netball Manager throughout the year provided fantastic service to the executive and clubs and has built a fantastic relationship in the region with her hands on approach and communication skills.

Luke Maher has continued the role of AFL Barwon Football Development Manager and has many strong relationships with all CDFNL clubs. Luke has been the main driver in the Colac Junior Review which has been thorough and received terrific feedback from all CDFNL clubs. Luke will continue to work in the region over coming months to implement the recommendations ratified by the AFL Barwon commission which will look to ensure the long-term viability of junior football in the region. Well done to Luke and the review committee in what has been an extensive process.

Congratulations to Lorne in the Senior Football competition who won the Senior Premiership in what was a fantastic Grand Final. Congratulations to Mark McCormack (Lorne) who has backed up his 2017 joint win by again winning the Jack Mahoney Medal. After being defeated in the 2017 Grand Final, Simpson broke through to win the 2018 A Grade Premiership in what was cold and wet conditions. Congratulations to Simpson and to joint league A Grade Best & Fairest winners Emma Hillman (Otway Districts) and Paige Mason (Simpson). A big congratulations to all other premiership teams across all grades and competitions, as well as individual winners of various awards.

A large thank you to all the club volunteers for their many hours of work committed to ensuring the teams get out onto the field or court each week. All volunteer roles can be thankless at times, but it certainly does not go unnoticed and you should be proud of your efforts. All CDFNL clubs continues to provide safe and welcoming environments for families that allows relief from the working week. Without the many volunteers, that relief would not be possible.

Lastly, a large thanks must go to Lee Hartman who has played the role of Region General Manager for the last five years. Lee as provided the CDFNL will guidance and support and has certainly increased professional standards while in the role. AFL Barwon and the CDFNL wish Lee all the best in the future and I am sure that his next venture will be as successful as the role he has played across the AFL Barwon region.

AFL Barwon has enjoyed working with all of you and we look forward to continuing our relationship into 2019 and supporting both boards and all clubs.

## FOOTBALL

The CDFNL was this year represented in Junior Interleague in Under 18s against Kyabram & District at Central Reserve as a curtain raiser to the Seniors, and Under 13 and Under 15 against Central Highlands at Buninyong.

Our under 18 side led by Coach Mick Royal who received great assistance from Team Manager Bree Jones and runner Jayden McVilly had a tough task to get the squad down to 22, due to the incredible amount of talent from each club to choose from.

The selected players lifted to the tempo required at this level of football against quality opposition. The game was played in fantastic spirit with both sides showing what is required to play country football at representative level. CDFNL had a resounding victory with the final scores:

CDFNL 12.11.83 – KDFNL 3.6.24

Better players for CDFNL were Luke Lloyd (Best on ground), Simon Umbers & Cullen Spence (3 goals)

The games against Central highlands were just as entertaining with both providing great contests.

The Under 15s coached by Dan Casey with assistance from Mark Zampatti & Jayden Hodge, snuck through in a close tussle with the final scores: CDFNL 5.8.38 to CHFNL 5.4.34.

Better players for CDFNL were Mitchell Thornton (Best on ground), Trent Blake, Jack Barber & Elijah Reid.

The Under 13s coached by Paul Price with assistance from Jayden Hodge & Jye Price, had a great win with the final scores: CDFNL 7.3.45 to CHFNL 3.1.19.

Better players for CDFNL were Henry McGuane (Best on ground), Jett Price, Zavier Hunt & Harrison Brien.

To all the people and parents that gave up time to get the squad to training and again to both Kyabram & District and Central Highlands, a big thank you from the board.

It was so pleasing to see our young players group together throughout all three games and show spirit for one another. Thank you to the coaches and selectors who gave up their time to be a part of a great day for Colac district football. We are extremely lucky to have such quality people with Senior Coaching experience guiding these young players at this level. A big thank you also to the clubs for supporting the young players on the day. Last but not least to all our junior players well done for making us proud to be associated with junior sport in our district.

## NETBALL

The program started with our Under age team competing in the Barwon Junior Championships that started in Feb 2018 and played through to June 2018. Our results were pleasing with our teams finishing:

- 13 & Under - Semi Finalist
- 15 & Under – Semi Finalist
- 17 & Under – Winning the Grand final over GFNL 48 to 31

We also competed in the Junior Interleague against Central Highlands Netball League in Buninyong on the 13<sup>th</sup> May 2018, in which we won the Perpetual Shield.

- 13 & Under – won 30 to 22
- 15 & Under – won 40 to 16
- 17 & Under – lost 20 – 22

With Best on courts awarded to Zoe Jones (13s), Lulu Riches (15s) & Lily Eldridge (17s)

On the 19<sup>th</sup> May 2018 we played a one game AFL Vic Country Interleague match against Kyabram & District Football Netball League at Colac Central reserve with great results for all our teams:

- 15 & Under – winning 71 to 17
- 17 & Under - winning 46 to 15
- Open – winning 53 to 41

With Best on courts award to – Ebony Miraglia (15's), Brooke Hawkins (17's) and Laura Kelly (Open)

The day after AFL Vic Country, 20<sup>th</sup> May 2018, our junior teams competed in Netball Victoria Central West Zone Association Championships; they were played at Kardina Park in Geelong.

Despite none of our teams making the finals on the day, a great effort was put in by all.

A very successful 2018 representative program and we have now starting our 2019 campaign with junior teams selected and starting in the local Colac Summer Netball Association competition preparing for coming year.

# Auskick Report

2018 has been another successful year for the Colac Auskick and Under 12's competition. We have had some major changes with the Under 12 program moving away from Auskick to become the Colac Otway Under 12 Competition. The competition was run the same as it has in the past, being school based teams, played on Friday nights etc. It proved to be once again a very popular and successful competition. The junior Auskick program was held on Sunday mornings and coordinated by Ashley Borch.

It was great to continue the involvement with the Colac Football Umpires using the Under 12's competition for their Junior Academy Umpires. These junior umpires officiated all the games and this continues to be a great platform for them to gain experience in umpiring.

Despite bad weather the Round Robin day was a successful day. Games were played on Central Reserve and the Colac Secondary College oval. The event ran smoothly and it was great to see so many parents, siblings, grandparents and friends around on the day watching the kids play.

I would like to thank Ashley Borch for his dedication to his role as Junior Coordinator. Thanks also to all the Under 12 coaches and year level coordinators. We are lucky to never be short of people willing to help and we are extremely appreciative of the time and effort you all put in. I am sure that many people would not appreciate the work that goes on behind the scenes and issues that arise along the way. The support from all of these people has ensured that Auskick runs smoothly throughout the season.

With the Junior Football review almost complete there will be some changes coming in the future to the junior program. I am sure that these changes will help the competition grow and hopefully enable more children to become involved in football in the future.

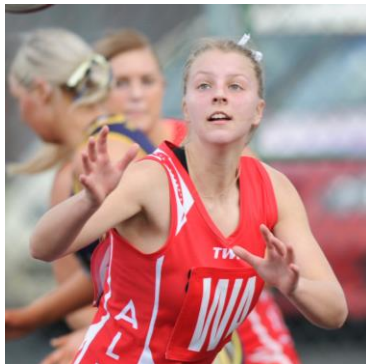

Finally 2018 marks the end of my involvement with the Colac Auskick program and I would like to thank all that have supported me in my role and made my job easier. I would sincerely like to thank Luke Maher for all he does in his role with AFL Barwon for our area. Thanks also to Peter Mulheron and the CDFNL Board for their support, and finally thanks to the Colac Otway Shire staff Ian Seuren and Nicole Frampton for all that they have done to help me in my role and to help our program.

Best wishes for 2019 and beyond.

**Chris Riches**

## OFFICE BEARERS

The Alvie Football Netball Club enjoyed another year of success with nine of its ten teams participating in the finals. The club was lucky enough to have four teams make the grand final, with our 17 and Under netball team winning the flag. Our 13s and 15s netballers, plus our 17s footballers, couldn't win the big one. We were pleased with the performance of our many first-time coaches, and our other coaches with varying experience, who all did a great job with our teams. We congratulate Judy McLaren on being named our club-person of the year – a well deserved award for the work she does for the club. We also thank our wonderful volunteers who roll up their sleeves and get the job done for the club week in and week out. We recognise there is much potential in our senior ranks, both football and netball, so hopefully 2019 brings success.

## OFFICE BEARERS

Season 2018 saw some changes at the top for the Apollo Bay Football Netball Club with a new president and new senior football and netball coaches.

Netball coach Rhiannon White introduced new players and training methods resulting in five more wins than 2017 at A Grade level.

Brent Macleod became our senior football coach in 2018 and introduced a new professionalism to our players in the way they train and play on matchday. Whilst we won more games than we lost for the first time in 5 seasons we still did not play finals and did not make headway on the teams that play regular finals football. We now need to jump another level and beat those teams above us on a regular basis.

On the social side the club held some great events, renovated the kitchen and bar areas and bought new furniture for the social rooms. Many thanks go to our sponsors, members and supporters for their support which allows the club to make these improvements.

Bring on Season 2019.

2018 began with several new faces joining the committee along with new coaches in all football grades. Whilst only scoring 2 ½ wins for the year the real satisfaction came in the form of great competitive performances against most teams in finals contention. Highlights for the year were the performances of many of our teenagers plus the return to the field of Dan Casey after a serious work injury. Our netballers added a couple of experienced recruits to the senior list and these girls certainly added to the depth of talent at the club. B girls were the best performed of our teams, making the grand final, while 3 of the other 4 teams also participated in finals. Female football was a great success with the two junior teams playing in Div 1 finals and the open girls were grand finalists in Div 2. The club has received great news in the off season with the upgrade project now fully funded. This means work on a new playing surface and lighting will begin, making our facility one of the best in the region and giving our members much to look forward to in 2019.

Well for people outside the club the year may have looked a little disappointing as the senior football team finished ninth on the ladder but the club did have six of the ten sides make finals and we did win two flags which was great. The club did unfortunately lose a dozen of our senior list prior to 2018 starting. Our Under 17.5 football team under Coach John Bergman went through the year as Premiers & Champions. The future looks very bright for 2019 and new senior coaches Jaden Angus and Cameron Parker will be in a strong position moving forward. Club champion Khan Beckett won his 4<sup>th</sup> club B & F with young gun Tom Zampatti coming runner up which shows that Tom is going to be a future star of the competition. Season 2018 saw 6 netball teams take the court at Warrowie Recreation Reserve – 3 Junior & 3 Senior. We had 4 of our 6 teams play in finals with 2 lucky enough to playing in Grand finals with our under 15's winning the Premiership Shield coached by Narelle Frith and the under 17's coached by Kate Watts coming runner up. The club is lucky to have an extremely talented group of both Junior & Senior players with Narelle Frith winning the B Grade League B & F and also Grace Garner taking out the U/15 League B & F. The club wish all players both in football & netball all the very best for another exciting year ahead in 2019 and a special thankyou to all our great supporters, sponsors & the army of helpers.

In 2018 we again had 3 teams in finals and again they were all netball. The A-Grade girls made a prelim final after going out in straight sets last season while C-Grade and 17&under also put up good showings in their finals campaigns. Failure to field an u/17.5 football team does hurt but isn't the end of the world, we have great numbers in the u/14.5 so we will wait and see how the age groups pan out for 2019. Reserve football again struggled for consistency both playing and player wise but showed what they are capable of with a full list to choose from.

Senior football didn't set the world on fire, beat the teams below us but couldn't manage a win against a team above despite narrow losses to Apollo Bay and South Colac. Tom Mullane-Grant Topping the league goalkicking and Dylan Clissold winning Best u/21 were great efforts.

Most coaching positions have been thrown open for 2019 but majority of current coaches have said they will reapply.

The 2018 year was yet another terrific year at Tiger land. It was very pleasing to have two football and five netball teams advancing to the finals with the Reserve football and C grade netball awarded the title "Premiers". But it was our A grade girls that would have to be the sweetest victory of all, finally winning their first premiership since our club joined the CDFNL in 2004. Again the Simpson Football Netball Club was represented at Interleague level in both junior and senior levels earlier in the year, and ranked very well in the Leagues Vote Count recently. Our Auskick and Net Set Go programs are crucial to our club, as are our committees and volunteers. As with all clubs we rely on our sponsors and fundraising. We were successful in picking up some extra sponsorship this year which we are extremely grateful for. This season we were fortunate enough to be selected to host a 'Worksafe Game of the Month'. This day was huge and bigger than we all expected. We incorporated the day with our Mental Health Round which is always a special and important day for both Simpson and South Colac clubs. We look forward to a fulfilling and exciting 2019 football and netball season.

Senior Football, whilst having some terrible luck on the injury front, had a highly competitive year finishing in third spot under new coach Josh Black. We were happy with the transition from Tim Foley to Josh Black and our main focus for the year was not to take a step backward and have 2018 as a springboard to 2019. We were happy that with all the injuries that we suffered we were able to remain competitive, although it did reflect on our Reserves performances towards the end of the year as we were left undermanned. On the Netball court, Grand Final Appearances by all of our Senior grades was a great result, with one premiership back to South. Our A – Grade girls were also hit by key injuries throughout the year, however a Grand Final appearance was a great result.

Season 2018 started off very promising with our A Grade netballers having a win and our senior footballers enjoying their first win for a long time. Unfortunately the footballers didn't taste success for the rest of the year but were more than competitive in a lot of games and will be out for more wins next year. Our A Grade girls went on to play in finals which they hadn't done for a while. The U15 girls also made it to the finals and our U13 girls won the Grand Final. Congratulations to all our Netballer's on another successful season. Our two junior Football teams both made it to the finals with the U17.5s finishing the season off strongly and the U14.5s getting to the Grand Final and weren't far away from a win. Thank you to all our coaches and to everybody who helped out on a Saturday. Thanks to our Football Dept who have been hard at work straight away and appointed Grant Armistead and Craig Hardingham as joint coaches for next year. Good luck for the season ahead. Well done to league for another successful season and final series.

FINANCIAL REPORT FOR THE YEAR ENDED 31 OCTOBER 2018  
NOTES TO THE FINANCIAL STATEMENTS

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**General Information**

The financial report is a special purpose financial report, which has been prepared in accordance with the requirements of the *Associations Incorporation Reform Act 2012*. The financial report is prepared on an accrual basis and is based on historical costs and does not take into account changing money values. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The financial report covers the Colac and District Football Netball League Inc. as an individual entity. The Colac and District Football Netball League Inc. is an association incorporated in Australia under the *Associations Incorporation Reform Act 2012*.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial statements.

**Basis of Preparation**

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

**(a) REVENUE RECOGNITION**

The recognition of Revenue for all departments is recognised in the year in which it is earned.

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Finals & Sponsorship revenue is recognised upon receipt.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

**(b) CASH AND CASH EQUIVALENTS**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

**(c) TRADE RECEIVABLES**

Debtors are carried at amount receivable. The collection of debts is assessed on an ongoing basis and specific provision is made for any doubtful accounts. Debts, which are known to be uncollectable, are written off.

**(d) TRADE PAYABLES**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**(e) INCOME TAX**

The entity is an association established for the promotion and encouragement of sport or game as described under section 23(g)(iii) of the Income Assessment Act, and therefore, is exempted from ordinary income tax and all of its income.

**(f) GOODS AND SERVICES TAX (GST)**

The Association is registered for GST purposes.

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**(g) COMPARATIVE FIGURES**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.
