LETTER FROM THE REGIONAL GENERAL MANAGER

EDWARD WILSON

The position AFL Barwon holds is one of significant responsibility in a region that is historically rich and opportunity poised, and we lead with a vision and purpose to ensure everyone who is part of our Football & Netball communities, is better off for their involvement.

For AFL Barwon in 2024, encapsulating this into all we led and contribute too, is impactful as we continued to broaden our service deliverables, and pushed the standards for which we administer and strategically lead competitions and leagues within the region. Every competition and league however does not function without the dedicated base of volunteers and community members, who support us in ensuring almost 25k participants, can play Football & Netball across the region. The commitment, enthusiasm and expertise from all that contribute, continues to amaze us and the AFL Barwon team and I, are extremely grateful.

The onboarding of the Group Manager - Operations in Lisa Patterson and the cementing of a long-term platform for our Club Development Lead in Tim Secombe to work, continues to elevate our investment and resourcing for all 51 affiliated Clubs and the communities they represent. Though the development of AFL Barwon's 2024-26 Strategic Plan, areas of opportunity were identified in how our internal and external operations are administered and executed. This was furthered by the desire from Clubs to receive greater support and have greater levels of engagement with AFL Barwon. These two roles are direct responses to address these opportunities, and we're pleased with the respective implementations over the last 12 months. We're thankful for the immense support from so many within the community, in engaging with these developments.

These changes elevate the value of our affiliations and furthermore, the continued evolution of the strategic delivery and governance leadership of the AFL Barwon Commission, has been in response to the requirement to evolve in these disciplines. The function of six sub-Committees – across the streams of Finance, Operations, People, History, Youth & external engagement, have enhanced the internal team's output and has contributed to an uptick in value and delivery for all 51 Clubs, and stakeholders across the region. Thank you to Chair Michelle Gerdtz, Deputy Chair Ashley West and the entire AFL Barwon Commission, for their continued leadership, expertise and support.

The partnership establishments, the role recruitments and governance evolutions aforementioned, have stemmed from the implementation of year one of AFL Barwon's 2024-26 Strategic Plan. This Plan is driven by actionable deliverables, guiding the strategic direction for our organisation.

We are extremely proud of the Barwon community which we have the privilege of working with, who push us for greater opportunities and standards and in turn, align to our initiatives to capitalise on success, whilst cohesively working through challenges together.

Success and progression are never possible without the continued engagement and collaboration of every Club, and we wish to take this opportunity to formally say - thank you. The alignments in vision and purpose is one we're proud to share, and dedication of every member of the wider Barwon community, continues to impress and represent what we collectively stand for. We are immensely poised to begin 2025 well and we look forward to what we can collectively accomplish in our region, in the years to come.

To our state sporting body partners AFL Victoria and Netball Victoria, thank you for your continued resourcing and support in 2024, to support the growth and opportunities within the Barwon region. Through both state sporting organisations, AFL Barwon's capacity to support Clubs and drive growth opportunities, wouldn't be possible to its current breath, without these engagements. We look forward to continuing mutual, progressive and growth positive relationships with both organisations in 2025 and beyond.

2025 presents significant opportunity for AFL Barwon and we are proud of the continued engagement with all 51 affiliated Clubs. Thank you to all members of our community for your support and ongoing enthusiasm, in providing all players and community members alike, the opportunity to be part of our regional sporting offerings. We look forward to 2025 and can't wait to collectively achieve greater heights for all across the region.

Geelong Football Netball League Grand Final at GMHBA Stadium

LETTER FROM THE AFL BARWON COMMISSION CHAIR

MICHELLE GERDTZ

The 2024 AFL Barwon season has been a great success that should be celebrated. We saw continued participation growth across football and netball due to the hard work of our 52 clubs in the region, with a dedication to supportive and inclusive communities that has been vital. We are incredibly fortunate to have outstanding leaders at our clubs, guiding volunteers who help make our community clubs exceptional.

The region participation growth comes with the need for infrastructure developments. There is desperate need for a suitable facilities to hold our key football and netball finals and events. Netball facilities in the region are an area that we need to work through in identifying opportunities with Government and local councils to help support the growth in the sport in this region.

The Future of Football and Netball Project was a key driver for the Commission in 2023 and 2024. The entry pathway for new clubs in the senior competitions was a key outcome from this process. Thank you to all clubs for their feedback throughout our consultation process. We are looking forward to working closely with Surf Coast Suns representatives in 2025 to support their 2026 entry into the BFNL.

Female football continues to be a source of pride in the region. The growth has been phenomenal, but we need to ensure that we plan into the future, with the development of a long-term strategy for Female Football as a key focus area for the Commission in 2025. The long-term direction, and desire to provide fair and equitable opportunities, will be critical to this plan. Club consultation has commenced, and we look forward to continuing this process in 2025.

The finals series across the four football netball leagues across the region was a resounding success, providing a fantastic platform to promote our competitions. The Geelong FNL Grand Final at GMHBA Stadium was an outstanding day that was attended by more than 10,000 people.

In 2024, AFL Barwon introduced two new sub-committees - History & Awards and Youth. A key outcome from the History & Awards Sub-Committee was the formal recognition of Frank Fopiani (best on ground medal in the GFNL football seniors grand final), Ian McTaggart (Ian McTaggart Club of the Year) and Joy Grubb (Joy Grubb Senior Netball Coach of the Year).

I extend a thank you to Peter Kelly, Mick Fitzgerald, Peter Hickey, Neville Whitley and their respective Boards for their collaboration and commitment throughout 2024. Thank you to Edward Wilson and your team for your dedication to football and netball in 2024. It can be a thankless task at times, but the effort and time invested doesn't go unnoticed.

Lastly, I want to express my gratitude to my fellow Commissioners for their commitment throughout the year along with their continued support and guidance for our staff and stakeholders.

Looking forward to an even bigger 2025.

LETTER FROM THE GROUP MANAGER - OPERATIONS

LISA PATTERSON

In my first six months with AFL Barwon, I'm proud of the season's success, thanks to our incredible volunteers. Despite challenges, we're setting up stronger processes for 2025, with a focus on club support, safer environments, and improved policies for fairness.

It has been a fantastic start to my AFL Barwon journey, now being with the organisation for over six months. I have enjoyed meeting people across the Barwon region in club land and thank everyone for the warm welcome.

The 2024 season has been a successful year for AFL Barwon, but I want to acknowledge the work that goes into running a community club and the volunteer power needed to keep clubs operating. Our volunteers don't always receive the recognition they deserve, especially considering the balance with work and family life, and I'd like to thank everyone for their contributions.

While it's important to celebrate our successes, I also recognize the challenges we've faced this year. Coming into an operational role at the start of the season, I've seen the issues clubs encounter with fixturing and game-day logistics. On review, we believe we now have better processes in place for 2025 to address these challenges.

Next season, my focus will be on establishing clear guidelines for clubs to manage off-field and off-court incidents. In 2024, we experienced too many of these incidents, and I want to ensure clubs have the support and resources needed to manage them safely. Creating safe environments for all participants, supporters, staff, and volunteers is essential, and these guidelines are a priority.

My main project in the past six months was leading the AFL Barwon Finals Series across all leagues. We aim to improve the finals experience for everyone, and feedback has indicated a positive response across the Bellarine and Geelong Football Netball Leagues. I thank our entire team for their work to deliver seamless events and create a memorable game-day experience.

I am excited for the next 12 months as we strive for operational excellence, reviewing policies to make our game as fair and equitable as possible. Thank you to everyone in club land for your continued efforts, and I look forward to working together in 2025.

LETTER FROM THE CLUB DEVELOPMENT LEAD

TIM SECOMBE

2024 saw the inaugural onboarding of a Club Development Lead as a full-time resource to support our clubs in the areas of growth opportunities and sustainability. The appointment of this position illustrated AFL Barwon's belief and commitment that as competition administrators, we need to actively support and drive greater value for our clubs.

I wish to express my gratitude to AFL Barwon for the opportunity to serve in this role during the 2024 season and beyond. I have enjoyed meeting club representatives, all working to connect with their communities and improve their clubs. I take pride in fostering collaboration among clubs by sharing ideas and best practices. Special thanks to the clubs for letting me highlight their successes!

In 2024, a key priority was supporting clubs in recruiting, retaining, and recognising volunteers through committee structuring and strategic planning. This will remain a focus to help alleviate volunteer fatigue.

The 2024 season saw the delivery of AFL Victoria's volunteer education and compliance programs including 'The Women & Girls Inclusive Club workshops', equipping six clubs with resources for inclusive environments from a gender-neutral perspective. I was also thrilled to coordinate the AFL Barwon Child Safeguarding Education Program, alongside Sam Dellamarta, following state government legislation mandating all sporting clubs to introduce policies and procedures that help to protect children from child abuse. Thank you to the clubs that identified Child Safeguarding Officers that were part of this education program.

I assisted clubs with funding and grant opportunities from AFL Victoria, LGAs, and governments. Thirteen clubs in Barwon received Telstra Footy Club Grants for items like goalpost padding and education courses. The TAC Club Rewards Program also proved successful, with 10 clubs receiving \$39,250 in funding for promoting road safety—one club earning the maximum \$10,000 grant, matched by only one other club in the state.

I enjoyed working with local and state authorities to advocate for club infrastructure improvements on behalf of several clubs under my remit. Some 'big wins' were achieved during the 2024 season which I found very rewarding. I will continue to advocate on your behalf as the opportunities present.

A big collective thank you to all our volunteers whose commitment is admired and respected. I thank the boards of the GDFNL and CDFNL for allowing me to engage with your clubs in all things Club Development. This new role aims to bring value, and I look forward to continuing this support.

LETTER FROM THE COMMERCIAL PARTNERSHIPS & COMMUNICATIONS MANAGER

SEAN ATKINSON

In 2024, AFL Barwon expanded its Commercial Partnerships and media presence, with 32 partners and successful initiatives like livestreaming and themed rounds. The Barwon Bulletin streamlined communication, easing the load on volunteers. We are grateful to our partners and excited for the 2025 season.

The Commercial Partnerships and Communications team at AFL Barwon has seen growth and continued success this year, with a notable increase in both partners and opportunities from 2023. We're grateful for our 32 commercial partners, especially premier partners Blood Toyota, Dow Chemicals, Epworth, Buckleys Entertainment Centre, and Kardinia Park Stadium Trust. We also welcomed new partnerships with Leisure Network, Marathon Foods, SEDA College, The Athlete's Foot, and Premier Data, whose contributions help us operate at a high level.

We proudly support community partners like Read the Play, The SAFV Centre, and Love the Game, raising awareness on key societal issues. Additionally, we celebrated themed rounds such as Indigenous Round, Female Festival of Sport, Pride Round, Love the Game Round, and Inclusion Round, emphasising the important messages behind each event. We thank our media partners, K rock and the Geelong Advertiser, for amplifying our presence in the region.

Our livestreaming of matches was a success, highlighted by 9,700 viewers of the Geelong FNL Senior Football Grand Final. The netball streaming, enhanced by Veo AI cameras, made games more accessible, and we anticipate further advancements in this space for 2025.

AFL Barwon hosted standout events in 2024, including the Female Festival of Sport, the Community Awards, and the Parkinson's Gala Luncheon, with special thanks to the AFL Barwon Commission for their support. In communications, we expanded our digital reach, with increased social media followers and website views, and launched The Barwon Bulletin, a streamlined communications tool aimed at easing club volunteer workload.

Looking ahead to 2025, we're excited to deepen our connections with clubs and communities, celebrate their achievements, and grow interest in our organisation. Thank you to our partners for their invaluable support—here's to an exceptional 2025 season!

FOOTBALL OPERATIONS REPORT FROM THE SENIOR & U18 MALE FOOTBALL COORDINATOR

SIMON RIDDOCH

2024, what a season that was. The BFNL season kicked off over the easter long weekend with three games on easter Friday and two on Saturday. The Torquay v Drysdale game, in particular, was a massive success with Torquay hosting Bells Beach Surf Classic, Sun concert and school holidays. The GFNL started two weeks later, with St Joseph's setting the pace going through the home and away season undefeated.

I am deeply grateful for Michael Limb's consistent support. I also extend my heartfelt thanks to Jock, Paris, and Will from the football operations team for their invaluable contributions, and to Lisa our Group Manager - Operations. Their dedication is crucial to the service we offer our clubs, and their exceptional work this year has been truly impressive. It's a pleasure to collaborate with such a diligent and skilled team. I must express my sincere appreciation to the club leadership team and all the volunteers for their unwavering commitment to our region. Their countless hours of volunteer work are instrumental in making our clubs thrive, ensuring all tasks are completed efficiently and on time. Although often under-appreciated, their efforts are profoundly valued by everyone at AFL Barwon.

BFNL SENIOR FOOTBALL REPORT FROM SIMON RIDDOCH

Torquay finished top of the ladder in season 2024. However, had it not been for a terrific one-point win by Geelong Amateur, Torquay could have been beginning the finals series undefeated.

2024 BFNL LADDER TOP 5

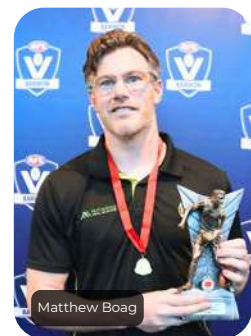

-  **1. TORQUAY SENIORS**
-  **2. DRYSDALE SENIORS**
-  **3. ANGLESEA SENIORS**
-  **4. GEELONG AMATEUR SENIORS**
-  **5. MODEWARRE SENIORS**

Barwon Heads narrowly missed out on a spot in the finals.

The Senior BFNL 2024 ladder leader did not have the finals all their way, with Anglesea winning a tight second Semi Final and straight into the 2024 Grand final. The major key was Anglesea’s efficiency in front of the goal, kicking 15.8. 98 to 13.13.91. Torquay bounced back in a windy Prelim match against last year’s grand finalist Drysdale. Torquay set up the win with an 8-goal to 1 second quarter, Matthew Boag was named best on the ground through a dominant display in the midfield and kicking 2 goals. Torquay went on to win the grand final 16.17.110 to Anglesea 7.9.51, going back-to-back before an impressive BFNL crowd at Memorial Park Leopold.

Torquay’s Matthew Boag was a popular winner of the Les Ash medal and Geelong Advertiser award Matthew paid tribute to the passing of Newtown & Chilwell mentor Frank Fopiani in his acceptance speech. Newcomb Power Jack Duke won the Goalkicking with 71 goals. Geelong Amateur Tom Gorell was awarded the 2024 BFNL Rookie of the Year.

GFNL SENIOR FOOTBALL REPORT FROM SIMON RIDDOCH

The 2024 GFNL Senior season-opening game was played on April 6th one week earlier than the scheduled round one fixture between Newtown & Chilwell & North Shore.

2024 GFNL LADDER TOP 5

1. ST JOSEPH'S SENIORS

2. ST MARY'S SENIORS

3. LEOPOLD SENIORS

4. SOUTH BARWON SENIORS

5. BELL PARK SENIORS

Andrew Pepper, Marcus Thomson, Sam Scott & Logan Wagener

Newtown & Chilwell won the game 134 to 88, with 2024 VFL Premiership forward Flynn Young kicking 7 goals and Harry Purcell adding 6. St Joseph's, Leopold, St Mary's Bell Park, and South Barwon filled the top five positions on the ladder, with St Joseph's winning all 18 rounds.

Leopold advanced through the Qualifying Final against St Mary's in double extra time with a golden point after a technical issue with the scoreboard clock. Both teams remained tied at the end of regulation, forcing double extra time, where Leopold scored the deciding point. South Barwon narrowly defeated Bell Park by four points. In the second Semi-Final, Leopold overcame St Joseph's in windy conditions to reach the 2024 Grand Final.

South Barwon won the Preliminary Final by 30 points, advancing to the Grand Final at GMHBA Stadium on the AFL Grand Final public holiday. With one of the biggest local community football crowds, Leopold was challenged all the way by a spirited South Barwon outfit, winning back-to-back flags and sending Gary Hocking out on top with Leopold's third premiership.

The Mathieson Medal was awarded to Doyle Madigan from South Barwon, with Tanner Lovell from Geelong West Giants finishing second. Colac's Adam Garner won the goal-kicking award with 62 goals. Harry Benson was a popular winner of the Geelong Advertiser award, and the GFNL Rookie of the Year was Colac's Tobyn Murray.

UNDER 18 FOOTBALL REPORT FROM SIMON RIDDOCH

DIVISION 1

Newtown & Chilwell finished on top in the home and away season, with the finals series seeing Newtown & Chilwell make their way through to the Grand Final accounting for St Joseph's in the Second Semi. Torquay Ocean Grove & GWG made up the rest of the top five. Jett Madolo (Newtown & Chilwell) won the League Best & Fairest / Jim Vivian Medal for Newtown & Chilwell. The Division 1 Leading Goalkicker had dual winners St Joseph's - Kye Smith & Torquay Oliver Maddalena with 44 goals.

DIVISION 2

Grovedale had a runaway win in the Grand Final against a spirited Lara with Geelong Amateur, Colac/Modewarre & Bannockburn making up the five. Werribee Centrals' Tyson Stephens took out the Division 2 Best & Fairest medal, as well as the the Ray Ettridge Medal. The Leading Goalkicker was Levi King from Lara with 50 goals.

DIVISION 3

Anglesea Mackenzie U18 Boys made a clean sweep by winning the Division 3 Grand Final, League B&F and taking out the leading goal kicking. The premiership is the club's third premiership in three years in the AFL Barwon U18 competition. Torquay Jones finished top of the ladder as minor premiers, with Ocean Grove Tyrrell, St Joseph's 2 & St Marys 2 making up the top five. The Division 3 Best & Fairest winner was Anglesea's Kalani Brown with fellow teammate Jay Todd winning the Goalkicking with 53 goals.

DIVISION 4

Grovedale powered away to win the Division 4 Grand Final, winning the Qualifying Final and Grand Final by over 10 goals. Anakie, Geelong Amateur/Newtown & Chilwell (merge) & Surf Coast Suns Bells making up the top four. The Division 4 Best & Fairest winner was Surf Coast Sun Bells, Riley Cotter, with a tie for Leading Goalkicker between Newcomb's Jack Sommerville & Grovedale's Jack Talbot with 34 goals each.

FEMALE FOOTBALL REPORT FROM THE FEMALE FOOTBALL COORDINATOR

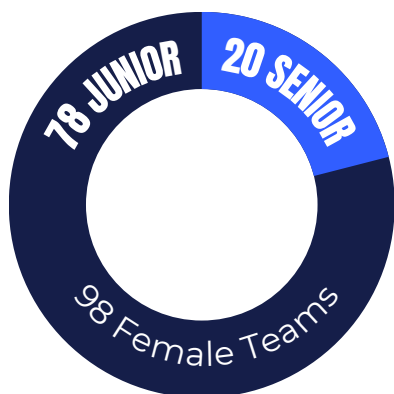

PARIS ROWE

Thank you to all clubs, volunteers, players, and parents for their unwavering support throughout the 2024 Female Football season, and my first season at AFL Barwon. It has been an incredible experience seeing the passion of everyone involved in this growing community. I would also like to personally thank Geelong Advertiser, Epworth, and Kings Funerals for their ongoing contributions and enthusiastic support of female football in our region.

This year, we saw a total of 98 teams across 7 age groups, including 20 Senior Female Teams and 78 Junior Teams—an impressive continuation of our growth.

A standout achievement this year was the participation of 102 girls in the U9 'Unders' Competition, run in collaboration with AFL Victoria. This initiative continues to provide young girls with a structured and fun introduction to female football, encouraging the next generation of players to embrace the sport.

We celebrated the annual Pride Round, Indigenous Round, and the Female Festival of Sport, all of which were widely embraced by our community. A special highlight of 2024 was the Female Festival of Sport Breakfast held on May 31st. This event was supported by The Athlete's Foot and hosted by Connie Bolger, General Manager of Partnerships and Marketing at Geelong United Basketball. Featuring an inspiring panel of women in sport, the panel included Kelly Cartwright (Paralympic Gold Medallist), Ali Waight (Queenscliff FNC President), Emma Daffy (All-Abilities & Lara FNC Netballer), and Erin Hoare (Geelong Cats AFLW Player). Their stories inspired attendees and highlighted the importance of diversity and inclusion in sport.

Thank you to the clubs that hosted the Female Football Finals Series: Grovedale, Belmont, Bannockburn, North Geelong, Modewarre, and Lara. Your hospitality, dedication and professionalism were crucial in making the finals a success, and reflected the unity of our football community.

Congratulations to our 2024 premiership teams: Senior Female Division 1: Grovedale, Senior Female Division 2: Anglesea, Senior Female Division 3: Belmont, U19 Female: St Mary's, U16 Female Division 1: Geelong Amateur, U16 Female Division 2: Geelong West/Bell Park, U14 Female Division 1: Torquay, U14 Female Division 2: Barwon Heads.

To all players, I hope you thoroughly enjoyed the 2024 season, and we look forward to seeing you back in 2025. To the Female Football Coordinators, thank you for your commitment to supporting the growth of female football in our region. Your guidance and passion are invaluable. To the coaches, team managers, trainers, and all volunteers, your continued dedication to the sport is deeply appreciated. The games simply would not happen without your hard work.

After another fantastic season, I am excited to see what the future holds for female football in our region as we continue to build on this momentum.

JUNIOR FOOTBALL REPORT FROM THE JUNIOR FOOTBALL COORDINATOR

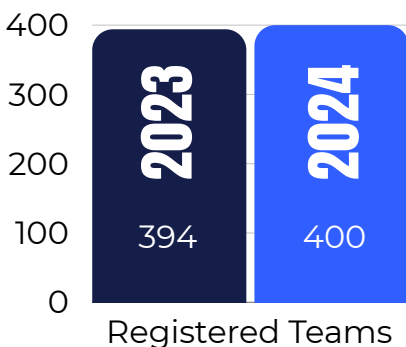

WILLIAM ROSS

The 2024 junior football season in the Barwon region saw record participation, driven by the dedication of volunteers, coaches, and clubs. Highlights included a growing Under 12 mixed division and a successful finals Series, with North Geelong FNC hosting memorable Grand Finals. Congratulations to all premiership teams, and thank you to everyone who made this season possible!

It has been fantastic to witness the thriving junior football scene in the Barwon region throughout 2024. The hard work and dedication of club volunteers have once again been the backbone of our junior programs, ensuring kids are able to get out on the park and play footy every week. This season saw a record number of junior football participants, with 400 teams registered across male and female competitions—surpassing the 2023 total of 394. This milestone reflects the growing enthusiasm for football in our region and highlights the strength of our junior development programs. The increase was particularly significant in the Under 12 mixed competition, where we saw an additional 8 teams compared to last year. This growth is a testament to the dedication of everyone involved in junior footy, from clubs to families.

A heartfelt thank you goes to the clubs that hosted the 2024 Kempe Junior Football Finals Series. Hosting these events demands extensive effort and commitment, and the support of so many dedicated volunteers made these weekends an outstanding success.

Special thanks to North Geelong FNC, whose exceptional hosting of the Junior Grand Finals set a high standard, with their warm hospitality creating a memorable experience for players, officials, and spectators alike. Each of the premiership teams worked hard to reach the top, and their determination and teamwork are what made their success possible. Well done to all involved.

To the juniors who took the field in 2024, thank you for being a part of our competitions. I hope you enjoyed the season and continue to grow as players. We look forward to seeing you back on the field in 2025.

A massive thank you to all Team Managers, Coaches, Trainers, and Volunteers. Your tireless work behind the scenes allows our juniors to get on the field every weekend. Your commitment ensures that junior football continues to flourish, and we couldn't do it without you.

A special acknowledgment also goes to our Club Junior Coordinators. The dedication and effort you put in throughout the year to coordinate everything doesn't go unnoticed. It has been a pleasure working with you all, and I hope to see you continuing your great work in 2025.

As we reflect on the 2024 season, it's clear that the enthusiasm and commitment of our region's volunteers have been crucial to our success. Thank you all for your unwavering support, and here's to another fantastic season in 2025!

ALL-ABILITIES REPORT FROM THE ALL-ABILITIES COORDINATOR

SOPHIE ALLISON

Season 2024 of the All Abilities Football Netball League saw our second year of local competitive football and another year of our long-established netball competition. We had our five established clubs rejoin the league for season 2024, who hit the ground running with great enthusiasm for the sports.

ALL-ABILITIES FOOTBALL

Round 1 of the Football competition took place at GMHBA Stadium, where St Joseph's won their first-ever game in a heartfelt contest against Newcomb, and Geelong West put on a dominant display in a Grand Final rematch over Bell Park. The Grand Final, hosted by Newcomb, featured a rematch between Geelong West and Bell Park, with Geelong West ultimately becoming victorious in a night marked by changing weather conditions and dedicated umpires.

ALL-ABILITIES NETBALL

The Netball Competition began at the Kardinia Park Netball Complex with the highest number of players participating this season. Newcomb took on St Joseph's, and Geelong West faced Surf Coast Suns. The season's culmination was a tightly fought Grand Final where St Joseph's narrowly defeated reigning premiers Newcomb by one goal.

We anticipate significant growth in this competition for season 2025 and welcome interest from new clubs. Special thanks to Kardinia Park Stadium Trust, Leisure Networks, volunteers, coaches, umpires, team managers, support workers, and club personnel for their support and dedication in delivering a great experience.

FOOTBALL UMPIRING REPORT FROM THE DIRECTOR OF FOOTBALL UMPIRING

JOCK HILLGROVE

Thank you to all Umpires, Club and League appointed, in the Region for their dedication, commitment and particularly those that officiated in multiple games each weekend, without these dedicated people umpiring could not have delivered the service to as many games as we were able to do.

AFL Barwon aims to have all club-aligned umpires registered in Officials HQ across the region, enabling direct coaching and focused guidance at every level. This will help expand the "AFL Club Umpire Engagement Program," boosting umpire development and investment in our region.

In 2024, all registered umpires were required to complete mandatory AFL Umpire Courses (modules). Thank you to all umpires, League and Club, who completed this.

AFL Barwon is focused on addressing the 25% decline in umpire numbers in Colac since 2020, particularly in field and goal umpires. To ensure the continued success of Senior CDFNL football and reduce reliance on club-appointed umpires in 2025, this will be a key focus area. AFL Barwon is committed to investing in recruitment and retention efforts to support the growth of umpiring in the Colac District and the CDFUA. Club support is essential to help rebuild the umpiring community within the CDFNL.

Exploring midweek and Friday football fixtures could be a valuable opportunity for clubs and leagues, especially with the expected growth of junior and female football. This approach could help ease the pressure on Saturday and Sunday timeslots and improve umpire availability. By reducing the demand on umpires, we can prevent burnout and injury, ensuring the long-term sustainability of officiating. Addressing this challenge is crucial for the future of the game. Any fixturing changes should also include appropriate entry-level opportunities, particularly for younger field umpires in the CDFNL, to support their development and success.

In 2024, AFL National managed the Umpire Expressions of Interest landing page, serving as the primary channel for all online umpire inquiries. We received 90 EOIs through the unique AFL Umpire Enquiry page and registered 44 individuals from that platform, resulting in a conversion rate of 44% for our region.

Our goal for 2025 is to have all "Club" appointed umpires registered, appointed, and compensated, with access to online match-day reports replacing hard copies. This will also provide in-person and online umpire coaching across the region and create more investment opportunities for AFL Barwon umpiring.

ONLINE UMPIRE MATCH REPORTING AND VOTING

In 2024, AFL Barwon successfully implemented online Umpire Match Reporting through Officials HQ for senior and U18 football (male and female). The transition was smooth, despite some platform challenges. We aim to improve OHQ and expand this initiative to all leagues and grades in 2025.

UMPIRE COACHING AND DEVELOPMENT

Thanks to our coaches, observers, mentors, and support staff in Geelong and Colac for their dedication to umpire development. In 2025, we plan to enhance efficiency by incorporating online video technology and expanding the Officials HQ Platform alongside the new Umpire FTEM Accreditation framework.

10% INCREASE IN UMPIRE APPOINTMENTS IN 2024

In 2024, the AFL Barwon Umpiring Department managed a total of 9,727 appointments, averaging 335 appointments per week, which was a 10% increase compared to 2023. This growth is a direct result of improved umpire availability and the formal onboarding of Club-aligned Umpires.

WOMEN & GIRLS UMPIRE DEVELOPMENT

AFL Victoria's Women & Girls Development Program saw Julie Ford and Evie Knight facilitate the development of female umpires. Their efforts led to successful Come 'n' Try sessions in Geelong and Colac, resulting in four new female umpires. AFL Barwon also hosted two AFL Victoria Female Hubs and a female-specific umpire course at Drysdale, with 14 participants, 8 of whom will umpire in 2025.

NEW UMPIRE SATELLITE TRAINING VENUE

AFL Barwon launched a new Satellite Training Venue at Drysdale Sports Precinct, running sessions from June to August. This initiative, in partnership with Drysdale FC and Peninsula Sharks FC, provides alternative umpire training. Future plans include expanding to the Surf Coast region.

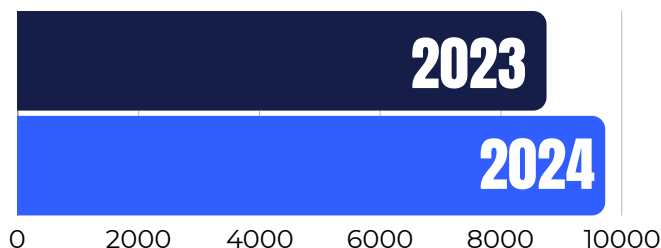

AFL BARWON V/LINE UMPIRING ACADEMY

AFL Barwon umpires officiated in NAB Boys, NAB Girls, VFLW, and V/Line Cup games. Bailey Wilson was named Boundary Umpire of the V/Line Carnival 2024, with other participants including Hamish Irvine, Tom Janke, Jack Tingiri, Haley Hunt, and Aidan Dudding.

WHITE CARD POLICY - COACHES BOX AREA

AFL Barwon introduced a White Card Policy to address disrespectful behaviour from the coaching box toward umpires. Only 27 White Cards were issued across all competitions, less than 1% of games, creating a healthier environment for umpires.

ACKNOWLEDGEMENTS

- **Larry Donohue** (Appointments Coordinator – Geelong): For your dedication to managing junior and female umpire appointments despite numerous weekly changes.
- **Brian Hunter-Evans, Eden Stubbing, and James Brayshaw:** For their dedicated service to umpiring support and coaching, particularly as they step down from their roles in Geelong Boundary Umpire Coaching.
- **Julie Ford and Evie Knight:** For your exceptional work as Women & Girls Development Coach Facilitators in 2024, furthering the inclusion of female umpires in the region.
- **Rob Schuller** (Ocean Grove Cobras): For leading the Cobras Umpire Academy, which had 20 junior footballers participate in umpiring non-competitive age groups. Several of these participants are transitioning into League-appointed umpiring.
- **CDFUA, GFUL, and AFL Victoria:** For their continued support, with special thanks to David Harris and Leigh Bulwalda from AFL Victoria for their funding of over \$9,000 towards umpire programs in AFL Barwon.

SENIOR NETBALL REPORT FROM THE HEAD OF NETBALL

SOPHIE ALLISON

More than 6800 participants hit the court this winter season. The appetite for netball is continuing to thrive, and it has been a pleasure to watch the greater Barwon region go from strength to strength. New technologies and team dedication have enhanced the game experience and development opportunities for players and umpires alike this season.

With the growth of the game, it seemed fitting to look back and acknowledge those who have come before us, and in 2024, the Senior Netball Coach of the Year award was named after Netball Legend Joy Grubb. The foundations of what we see today were built on the foundations laid by people like Joy, and we look forward to acknowledging other contributors in future.

2024 was an exciting year for development. From umpiring initiatives to new cameras and technology, we are excited to build on these changes to further improve the delivery of competitions, and elevate the standard of what we can provide. The delivery of these initiatives would not be possible without the fantastic team supporting netball. To Chloe Prout, thank you for your commitment and support in delivering not only competitions, but to the time you have committed to elevating our representative program. You have continued to elevate the representative netball brand, and we look forward to seeing our teams out on court in 2025. To our outgoing umpire coordinator, Rachael Kirtley. Thank you for your openness to try new initiatives and your desire to elevate the netball umpire experience. You have created a legacy for those who come after you, and we look forward to building upon what you have created.

This season saw the introduction of Veo Cameras for our A Grade BFNL and GFNL games. Helping our players and umpires in their development, the cameras capture play that was previously missed through consistent 180 degree footage combined with AI tracked vision. We are excited to improve on the use and distribution of this technology for clubs and their coaches, and further develop the possibilities of these cameras.

To conclude, this season would not be possible without the support of an army of people behind the scenes. A very special thanks to our commercial partners. To our clubs and volunteers, you make our community and competitions tick, and we couldn't do it without you. To our umpire mentors for their commitment to developing the next generation of umpires. To Maddie Okely at Netball Victoria for her willingness to lend a hand or pick up the phone whenever we may call, your guidance will be certainly missed as you take the step on to your next chapter.

65 Junior sides entered the Bellarine this season alongside the full complement of 50 Senior teams. With an increased number of teams fielded in the junior sections, it was great to see a good mix of teams partake in the finals series.

A huge thank you to both Portarlington and Leopold for the role they played in facilitating a fantastic finals series. Thank you also to the Major League Sponsor, DOW, for your contributions to the Bellarine Football Netball League.

Congratulations to Ocean Grove for winning a consecutive premiership against Geelong Amateur, but I must make special mention of Geelong Amateur's dominance through the home and away season, going through undefeated.

It was also an exciting A Grade vote count this year, with dual winners determined in the final round! Congratulations to Newcomb's Jessica Duke, and Torquay's Kiralee Collings on taking out the medal.

-  **3. SOUTH BARWON A GRADE**
-  **4. GEELONG WEST A GRADE**
-  **5. COLAC A GRADE**

Numbers in the GFNL this season saw an increase. Our senior numbers increased to 57 teams with North Shore returning to C Grade for season 2024, with junior team numbers also increasing by one to 7 teams.

2024 saw a return to Kardinia Park for the Grand Final, with fantastic weather and record-breaking crowds for the day. Thank you to Geelong West for hosting the first three weeks of the Finals series, and for all your support in ensuring we are able to deliver these events to such a high standard.

Congratulations to Newtown & Chilwell on your premiership, and to St Joseph's for being the benchmark all season. We saw some incredibly tight tussles during the final's series, and we look forward to this highly competitive standard continuing.

Thank you to our major partner, Blood Toyota, for your support of our competitions, and we look forward to our continuing relationship moving forward.

Dual winners were also present in the A Grade Medal count, with Ellen Doyle of South Barwon taking out her second medal, alongside Eliza Cahill from Colac. Congratulations to both on incredible seasons on court.

JUNIOR NETBALL REPORT FROM THE NETBALL COORDINATOR

CHLOE PROUT

The Junior Netball Competitions and Representative Program have enjoyed an exciting and successful year. The hard work and dedication of club administrators and volunteers all year round to foster netball in the region has contributed to the increased participation and engagement throughout our competitions and programs.

SUMMER 2023/24 AND WINTER 2024 MIDWEEK NETBALL

This year, we welcomed over 450 midweek netball teams across various age groups and divisions. Our summer and winter competitions saw a significant increase in team registrations compared to last year, reflecting the growing interest in netball within our community.

Competition Structure

The 2024 season included both summer and winter competitions:

- **Summer Competition** (October to March):
 - Team Numbers: 274 teams registered
 - Format: Each team played 11 games, culminating in finals.
- **Winter Competition** (April to September):
 - Team Numbers: 187 teams registered
 - Format: Each team played 16 games, culminating in finals. 11&U participated in "Party Round" to conclude their season.

Thank you to Ocean Grove, Geelong Sports Hub, and Geelong Amateur for their support in hosting games for the forever growing midweek competition and to our amazing competition coordinators and umpire mentors for helping us run each venue.

Both seasons concluded in thrilling finals series that showcased the hard work and dedication of all participants. The atmosphere at the finals was electric, with families and friends coming together to celebrate the achievements of our players. Thank you to all participants for fantastic Summer and Winter seasons, and congratulations to the premiers of each respective division.

JUNIOR NETBALL REPRESENTATIVE PROGRAM REPORT FROM CHLOE PROUT

Our Representative Program continues to thrive, with talented players selected to represent our region in various competitions. AFL Barwon selected 90 players across eight teams to represent the two leagues (Bellarine FNL and Geelong FNL).

Highlights from the program include:

- **Trials and Selections:** Conducted in October 2023, attracting over 300 participants.
- **Competitions/Tournaments:**
 - Weekly competitions: Barwon Junior Netball Championships (Champ teams); GCNA Open Junior Competition (Reserve teams)
 - Tournaments: All teams competed at Central West Association Championships held at Eagle Stadium in May.
- **Coaching Support:** Dedicated coaches provided athletes with tailored training and feedback, contributing to their development as competitive players.

Well done to all representative teams for a fantastic 2024 season, with all teams making finals for their respective weekly competitions. Congratulations to the GFNL 15&U and 17&U teams for taking out the Barwon Junior Netball Championship!

All representative teams competed at the Central West Association Championships in what was a fantastic day with all teams achieving commendable results and showcasing our athletes' skills on a larger stage. Congratulations to the athletes and umpires who were talent identified as part of this tournament.

A massive thank you to our amazing representative coaches. AFL Barwon certainly appreciates the hard work and commitment you have towards the development of players in the region. Thank you also to the parents of our representative players, we appreciate the support you provide your children and us throughout the season.

The Junior Netball Competitions and Representative Program have laid strong foundations for future growth and success. Thank you to all players, coaches, volunteers, and families for your support and dedication to junior netball in the region. I would also like to extend a massive thank you to our sponsors and local clubs for their invaluable contributions, which make our programs possible. It has been a pleasure working with you all in the 2024 season, and I look forward to another exciting year ahead!

NETBALL UMPIRING REPORT FROM THE HEAD OF NETBALL

SOPHIE ALLISON

While on-court participation has continued its strides, our off-court development also took priority this season. Out-going league umpire coordinator, Rachael Kirtley, supported by Heather Carroll and Emily Green, implemented the Umpire Development Program.

The high-performance Umpire Development Program is for a select number of umpires, who are actively working towards their B Badge accreditation. We were fortunate enough to see the number of B badge umpires on our panel grow from 6 to 12, which is a fantastic achievement.

The Development Program has been complimented by the work our development mentors have undertaken through their club visits throughout the year. In season 2024, we had up to 6 development mentors attending clubs in the early hours of Saturday mornings, and panel games in the afternoon, to provide mentoring support to up and coming umpires, who are aspiring to, or who have already attained their badge to progress further. We look forward to seeing the fruits of this labour in the coming seasons as more umpires begin to take the step up onto panel and into other umpiring pathway opportunities.

In line with the Development program and club/panel mentor visits, we were pleased to introduce a program whereby panel assessments submitted via a form, provided our umpires with targeted feedback following each observation as to their areas of improvement, as well as identifying the areas they were performing well in – all in an automated form. This feedback also populated data behind the scenes that enabled us to make informed decisions upon finals time, and acknowledge the strides our umpiring fraternity has made in their development.

Thank you to the mentors, the club coordinators, and the umpires who have embraced and been part of 2024, and we look forward to continually building this experience for you all in 2024.

HOW WERE REPORTS REFERRED IN 2024?

A disturbing number of behavioral issues were again identified throughout the year, predominantly in junior grades and far too often through poor leadership and role modelling by parents and coaches.

This is an area that will be a focus to be addressed in 2024, with clear processes to be developed to ensure these issues are dealt with in a consistent and responsible manner. This will require the support of all club administrators and parents.

Our appreciation is extended to the members of the MRP who again volunteered their time on a weekly basis to assess relevant footage as requested and provide their judgements. We sadly lost one of our longest serving members, Bill Brebner who is sadly missed by us all. Tribunal results and percentage of Early Guilty Pleas accepted would indicate that their judgements were appropriate and reasonable.

I would again like to congratulate and thank Tribunal Chair Werner Weigl and his panel for their commitment and adjudication. Werner provides professional leadership that complements the astute and consistent delivery of fair and reasonable judgements by all panel members. Arthur Hodgson continued his excellent work as our League Prosecutor and ensures the most informed and balanced decisions can be made by the Tribunal Panel.

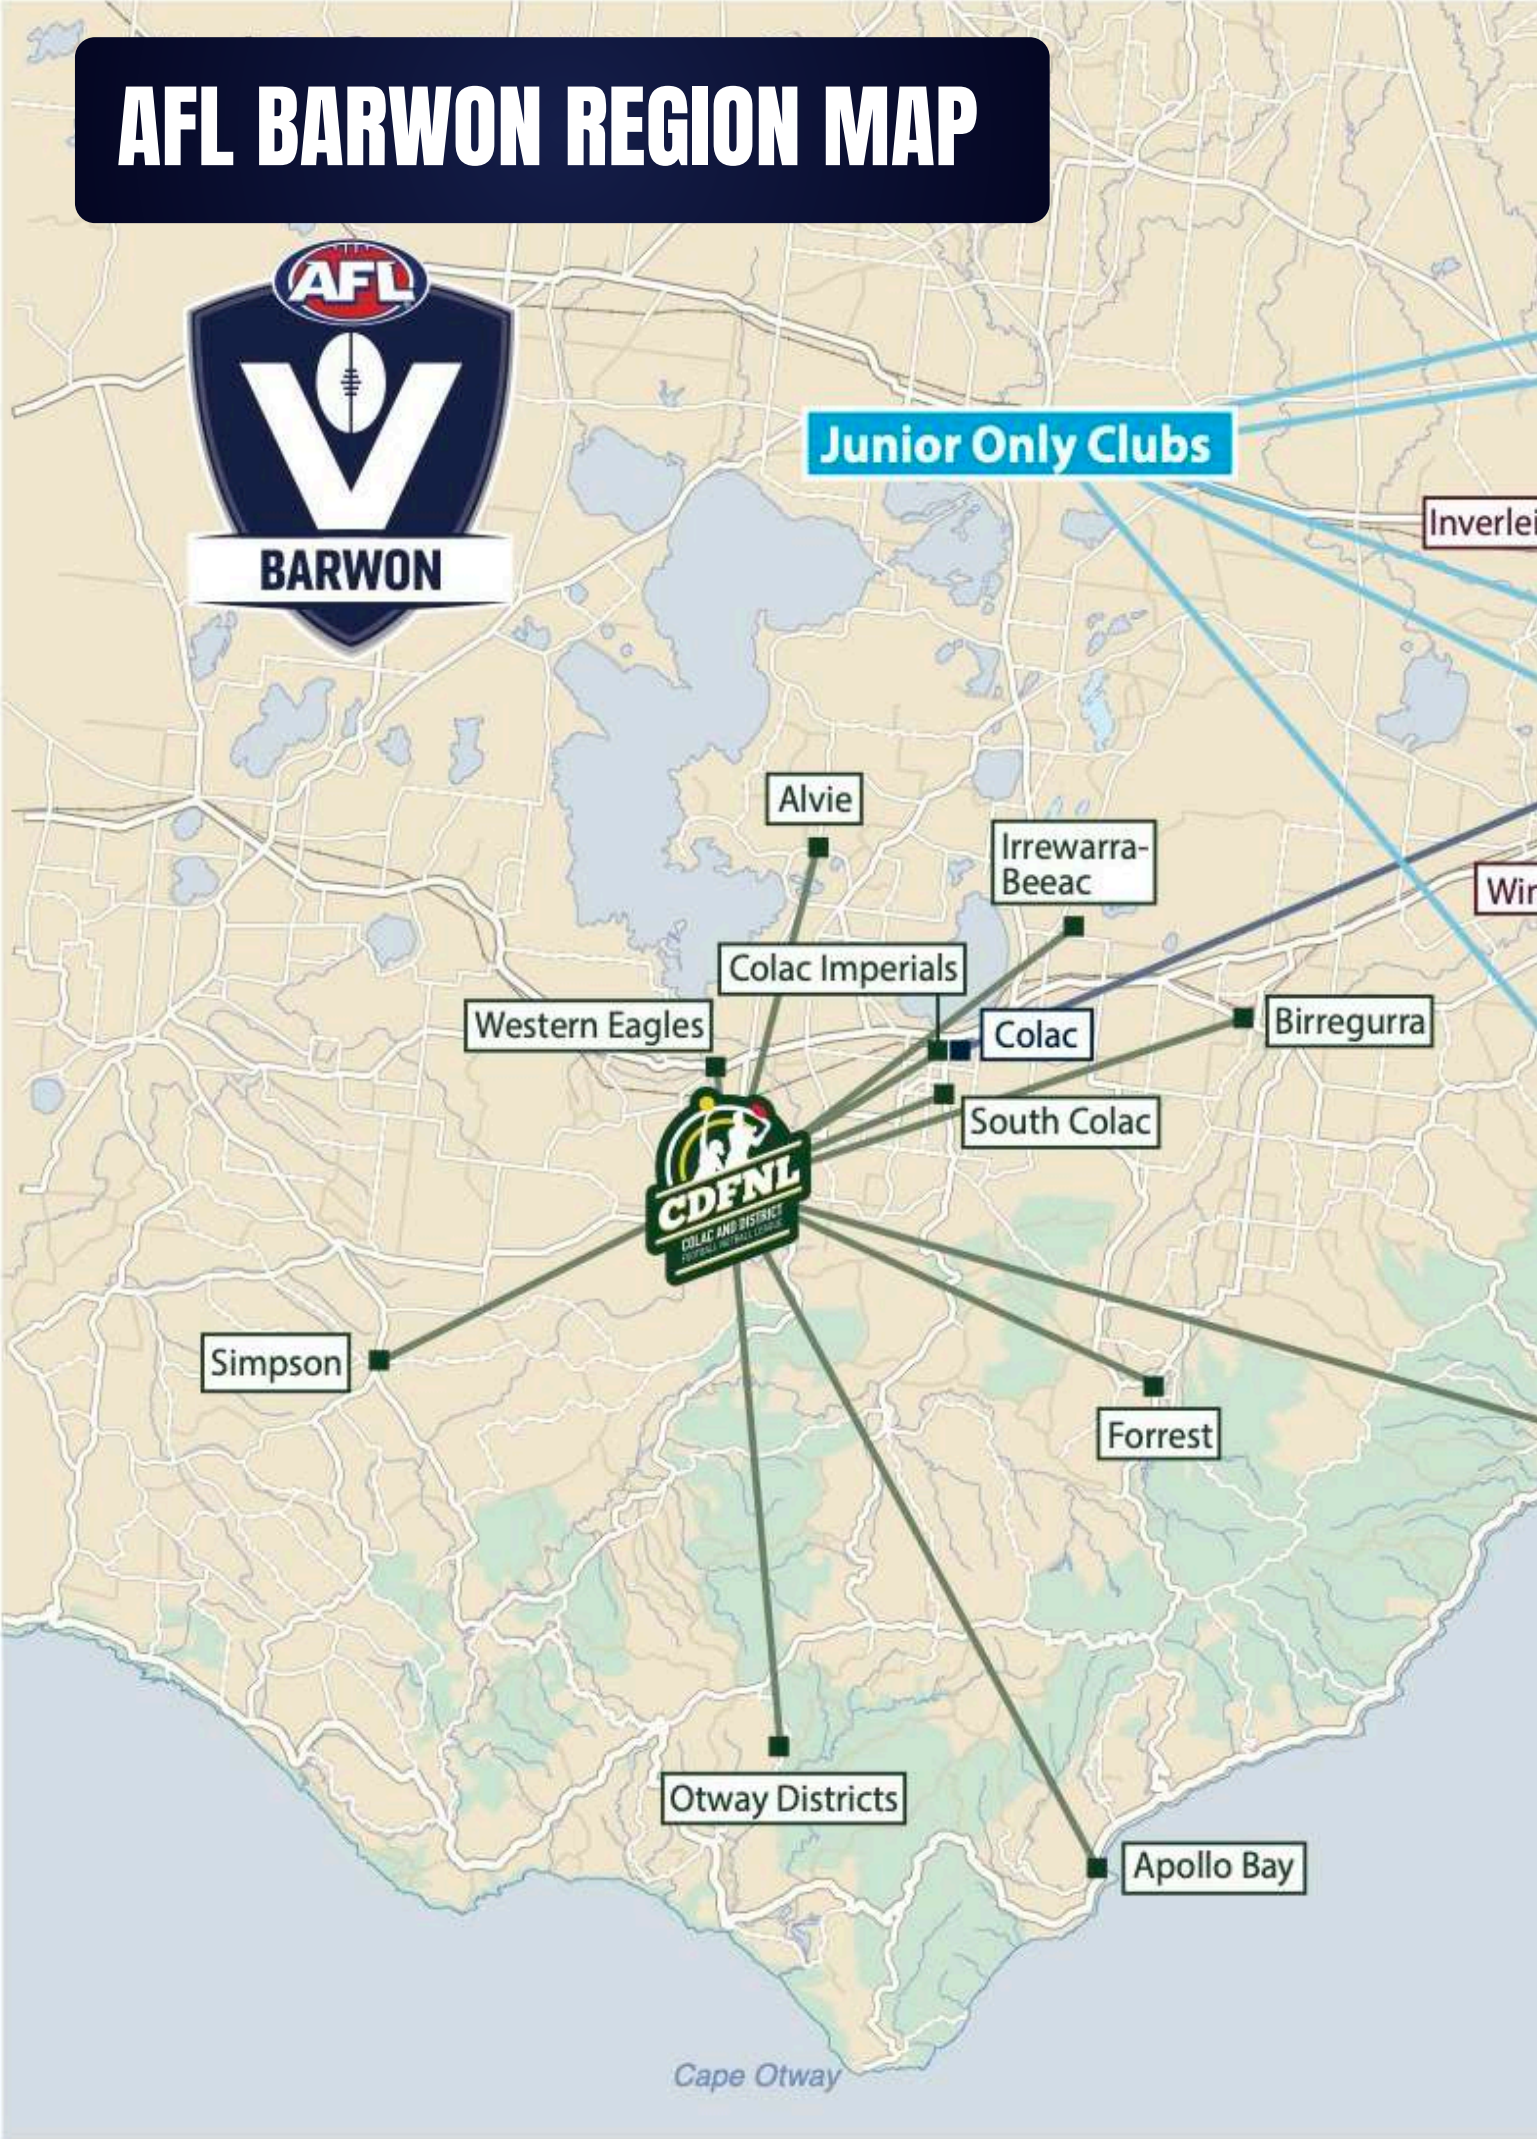

I would again like to thank Rob Drew for his work as Tribunal Secretary with the co-ordination, scheduling and running of the Tribunal sessions. Whilst limited in his mobility, Rob is a willing and efficient administrator who makes our life so much easier. I would also like to thank our Director of Umpiring Jock Hillgrove for his work coordinating and organizing the umpires in their role.

Anglesea Football Netball Club has had one of its most successful years in 2024. There has been a focus on bringing the club together as an inclusive community club off the field as well as on. with Paul Nigro's first year as president. We were able to field 22 teams over our netball and football teams. We are extremely proud of the positive culture that has been nurtured within the club at all levels and have welcomed a number of new players from around the region.

For the first time in 24 years our Senior football team made it to the grand final. It was amazing to see the whole of the Anglesea community come together to support the club, including many local businesses sending through words of support. Unfortunately, they were not able to bring the flag home this year but are hoping to be back bigger and better next year. Our women were able to bring home their second flag in years and our under 18's were successful in their third consecutive grand final win. Our B grade netball team also made it to a prelim final with an incredible effort. We are proud of all our teams and all the people that support our club and look forward to a great 2025.

The Barwon Heads Football Netball Club had a dynamic 2024 season, with 490 footballers (male and female, junior and senior) and 154 netballers (senior and junior) participating. Notably, 4 junior players advanced to the VFL, and 4 were listed with AFL teams. Despite financial challenges impacting sponsorships, social functions, and club sales, the club remained a vital community hub, offering a space for sport, social interaction and inclusivity.

The club also faced unique challenges due to its geographical location, receiving minimal council support and dealing with a demanding landlord. Nevertheless, the club's resilience shone through, providing a positive outlet for its members and fostering a strong community spirit.

Looking ahead, the club is committed to improving all aspects of club life. This includes enhancing facilities, increasing community engagement and securing more robust financial support. The goal is to ensure that every member, from juniors to seniors, can enjoy a supportive and enriching environment. The club's dedication to continuous improvement and overcoming obstacles highlights its unwavering commitment to its members and the broader community.

From a football perspective the club is represented in Senior and Junior Mens football with 18 sides. We also have a selection of Junior Female Football teams this year along with our mixed All- Abilities football team. Our U18s had a challenging season however the Bell Park Senior and Reserve grade football sides both returned to finals action after solid home & away seasons. A selection of our junior football sides made finals with the Under 16 boys taking out the Premiership.

Additionally, our Netball Club had a great season with 7/12 Saturday sides making the finals and all of the 4 Friday night sides making the finals. One of these Friday night teams was successful in winning the Premiership. From our Saturday sides it was our U19s who again made it to the Grand Final for the 3rd year running but were unable to make this final step.

The Colac Tigers netball season saw six of our eleven teams making finals. Four junior teams and two senior grade teams entered the finals with our B Grade and Under 13 Div 2 teams playing off in their respective Grand Finals. Unfortunately our junior team went down but our B Graders won, after an amazing run through the finals, from 5th position, to beat South Barwon in a dominant display. Our B Grade side was well led by coach Courtney Coulahan and B&F Jessie Lang. We look forward to growing stronger across the courts in 2025.

After a reasonably strong start to the home and away season our senior football season ended just outside of the finals. However, we saw further development and opportunities for younger players through season 2024. It was also exciting to see the development of our juniors through the 2024 season with our first U18 side in a few seasons.

We're very proud of what the club has achieved this year and we look forward to building on our success in 2024.

Although the ultimate prize was not achieved, the club met many markers of success in 2024. On the field, all senior teams found varying levels of success during their respective finals campaigns. Importantly, the club continued to develop local talent, with several debutants cementing themselves into regular positions in the senior teams. Off the field, the club made a deep commitment to mental health through the establishment of our wellbeing committee and again taking part in the Hands Up Cup. This success in mental health promotion was recognised at a national level. In our junior ranks, our Under 14 Division 2 team played off in a grand final. Most importantly, the connection of the junior and senior clubs continued to strengthen, with the Hawks Heroes program continuing and the senior players getting behind their junior clubmates.

Netball

Key strategic highlights for the year include the merge of the Drysdale Football & Netball Club and progress on a facility development plan, scheduled for completion in December 2024. Work continues on establishing clear vision and values, and fostering community support through the Community and Wellbeing Committee, the Respect Starts Here Program, and the Gender Equity Action Plan.

Geelong Amateur’s Reserves team had a standout season, reaching their third consecutive Grand Final but ultimately falling short against Torquay. The Seniors placed fifth after a challenging second half of the season.

In Division 1, Wammos sought a three-peat, but injuries and inconsistency prevented them from securing it, though the commitment was notable with two female teams completing the year. The Under 16s offered promising prospects for the junior program, securing the Premiership.

Netball saw significant success, with the A Grade team narrowly missing out, while B Grade celebrated a back-to-back victory and E Grade completed a three-peat. Netball was crowned club champions, with 11 of 12 teams reaching finals. Premierships were won by Under 15s Divisions 1 and 2, and Under 17s Division 2, with Under 17s Division 1 missing the win by only three goals.

Junior football saw strong participation, with the Under 16 Division 2 team winning a Premiership, and an impressive effort from the Under 18s, who formed a combined team with Newtown.

Season 2024 started where we left off in 2023 – a deep desire to continuing building our club’s success on and off the field and court.

We had multiple teams compete in the finals series across football and netball, resulting in Premierships for our U/16 Girls Football and our All Abilities Football teams.

Some other highlights from the year:

- AFLB Youth Football Coach. of the Year – Sean Lever
- AFLB Goal of the Year – Riley Moore
- AFLB Inclusive Coach of the Year – Luke Marruso
- AFLB Inclusive Club of the Year – Geelong West Giants
- GFNL Coach’s Team of the Year – Tanner Lovell

Our netball program was exceptional this season and we eagerly await what 2025 will bring along with all teams at the Giants, next season will be an exciting one.

Thank you to all of our volunteers, sponsors, supporters, players and the league for their efforts and support this year.

The club welcomed Jacob Spolding as our new senior men's coach for season 2024. Results for the year were below expectations, where we won 4 games and finished ninth. The reserves had another competitive year finishing 6th on the ladder, one game outside the top 5.

Our Senior Female team had a fantastic year, culminating in a Premiership in Division One, which was just reward after being runner-up in 2023. It was a great effort to field two senior women's teams this year, with our second side playing in Division 3.

The under 18's fielded two sides this season and it was a fantastic effort for both teams to win the Premiership in their divisions. Under 18 (Division 2) and Under 18 (Division 4)

Our new Senior Netball coach, Rachael Randall took control in her first season and has brought a touch of professionalism to the club. The club won its first 'A Grade' game in five years, which was a turning point for the club. The netball section is in a strong position, with the club's participation levels at the highest they have ever been. We had five junior teams make finals and the junior program continues to grow and the future is promising.

Lara further consolidated on-field and administrative performance during 2024, with both Netball and Football eager to see what unfolds in 2025.

The Netball Section continued to grow as a club as members saw the benefits of better facilities. There were some tough calls made this year regarding our juniors and believe they were in the best interest of the club. We strive to be better and hope we can improve some ladder positions next year.

The Football Section experienced a 15 per cent increase in junior participation overall and were particularly excited by the continued progress in the female program. The pipeline of talent through the junior boys' and girls' programs will underpin ongoing development through the senior groups. The senior men's squad experienced a challenging year with injury and unavailability, particularly in the latter half of 2024, but we are excited by new football appointments and what 2025 may hold.

The 2024 season was a standout for Leopold Football and Netball. The senior football team achieved back-to-back premierships, giving coach Garry Hocking a fitting farewell after three years, culminating in a memorable finish at GMHBA Stadium.

Captain Marcus Thompson, along with Logan Wagener and Brock Williamson, earned spots in the GFNL Football Team of the Year, with Marcus setting a record for six selections. The reserves placed 5th but fell to South Barwon in the semifinals, marking the end of Craig Johnson's five-year coaching tenure. The Colts narrowly missed finals due to injuries, while the U14s clinched the Div 4 Premiership, with Brody Munn winning Best & Fairest.

Netball saw a record three Leopold teams reach the Grand Final, with C-grade claiming victory. A and B Grades improved, finishing 6th and 7th. Awards included Sofia Martino (U19 Best & Fairest) and Kirsty Fagan (C Grade Best & Fairest), despite the season's injuries. The club looks forward to more successes in 2024.

The Modewarre FNC would again like to extend our thanks and gratitude for the tireless efforts of our volunteer community for making Modewarre the Great Country Club we pride ourselves on. We reflect on a positive rebuilding year, full of growth and development both on and off the ground and court. Modewarre saw record numbers of both Junior Footballers and Netballers join the warriors in 2024 with hugely successful Net Set Go and Auskick Programs. Season highlights included Grand Final appearances for our C-Grade Netball and Womens Football side. Bring on Season 2025

2024 for Newcomb FNC was a year of positive change. Our netball squad saw two senior teams reach finals for the first time in a long time, the club's first ever A grade league B&F winner and an increase in player retention and satisfaction. While our football department win/loss ratio wasn't what we were hoping for, our growth is certainly there in the finer details with plenty of competitive games against the top teams. With an focus on increased professionalism across our club, our playing group works hard on connectedness on and off the field/court and we are looking forward to building on this for more on field/court success in 2025.

The Newtown Chilwell Football and Netball Club had another overall successful 2024 season across football and netball.

For netball, 2024 was another very successful season with the club finishing equal first in the Netball Championship of the Year, 10 teams making the finals, 6 teams making the Grand Finals and 4 bringing home silverware. We also had 5 u11 teams and 8 Friday night junior teams in finals, with 2 winning their respective division grand finals. Our amazing A Grade squad have made the Grand Final in every year since 2013, and after losing the last 2 years, we were able to lift the cup high after defeating a formidable St Joseph's outfit.

In football, the mens senior and reserves teams both played some good football throughout the season, both finishing mid table. The u18s teams had an outstanding season, with the firsts winning the flag. The u16a team finished the season lower on the table, however the b team made it all the way to the final, losing a close game to Inverleigh. Two of our three u14 team also played in finals. Across the junior programme, the club again had approximately 350 players participating across 18 teams and 150 kids participating in the Auskick program.

The female senior, u19s and junior football teams all had a year worthy of celebration. Our senior and u19s teams both had excellent seasons with both teams losing in preliminary finals. We are looking forward to building for 2025 on the foundations laid during the 2024 season.

North Shore Football and Netball Club has had some great highs in the 2024 season. With the Senior Netball bringing together another team to add to our netball re-build, we were able to take three competitive teams to the court throughout the season and see some inspiring wins against rival clubs that we hadn't achieved in over ten years. Our Football division had a challenging year with few wins across the board in both our Senior and Reserves teams. Spirits were high, but unfortunately we couldn't get the wins on the board. Off the ground, the club has continued to improve facilities and provide a safe, inclusive environment for our players, volunteers, members, partners and supporters. We are looking forward to the coming years when we will get to showcase the new Female Friendly Facilities that are in the works as well as the upgrades to our club rooms

Another year of on & off field growth with 43 teams representing the club & town incredibly well in 2024.

Our netball program again provided the highlight of the year, delivering back to back A Grade premierships for the first time in club history in a great tussle with Geelong Amateur, along with flags in C & D grades. We were strongly represented in finals in all grades, and are determined to remain as a force in the Bellarine netball in 2025.

Senior football had a tougher year but our seniors showed strong improvement in the back half of the year and will be looking to build on this improvement with a strong pre-season as we look towards 2025. With all Under 16 and Under 18 teams playing in finals, our junior program was a great success and we will continue to provide opportunities to our young talent and provide a pathway from juniors right through to senior level.

After celebrating our 150th year we, at the Portarlington Football Netball Club, believe that our strength lies in our diversity. Our community is a vibrant tapestry of different backgrounds, abilities, and perspectives, and it is this diversity that enriches our club and makes us stronger. Season 2024 saw us take steps to becoming the club we wish to be. Gradual improvement in senior on field performances and encouraging steps in senior netball. Our juniors in both codes continue to make us proud. We are intent on self improvement, to become a strong, viable club that represents and promotes our community. Our effort must be deliver success - we are entitled to that reward. We continue to upgrade our facilities, promote our on field/on court development and progress our coaching/mentoring/welfare of our members, playing & non playing. PFNC has a one-club philospny and we will continue to invest in our future. PFNC is on a journey - we encourage everyone to join us.

In 2024, the Queenscliff Football Netball Club (QFNC) celebrated a year of growth and competitive spirit. The football division saw strong performances across all levels, with highlights including the Reserves team reaching the preliminary final—their first since 1990—and the Under 18s competing in Division 2. Notable players such as Jayden Durren and Max Waight gained league recognition, showcasing QFNC's talent pipeline.

Netball also achieved commendable milestones, with A, D, E, U19s, both U17s teams and both U13 teams making finals and our incredible U13s team reached the Grand Final under coach Carly Headlam, who was honoured as the Junior Coach of the Year. Awards went to exceptional players like Keely Kinsey and Leah Tait for their league performances. QFNC's initiatives to enhance coaching, mentorship, and club culture solidified their reputation, further exemplified by winning the 2024 AFL Victoria Community Club of the Year.

It was another big season at SBFNC in 2024, with participation numbers continuing to grow. We saw 25 netball teams and 27 football teams representing the club each week.

Many of these teams featured in finals action. We were particularly proud to have 11 out of our 15 Saturday teams participate on GFNL Grand Final day.

As we reflect on the 2024 season it has never been more apparent how integral the St Albans FNC is to our local community and the GFNL. Our players play for the love of the game, their teammates and their club, and at the highest level possible. Our dedicated and passionate volunteers are at the forefront of our operation as a premier local football and netball club.

Whilst our fixture was incredibly challenging, the season brought enjoyment, some memorable wins and achievements on and off the court/field. Congratulations to our football and netball players for their finals performances, individual awards, representative selections and club milestones.

We extend our sincere gratitude and appreciation to Alex Tortora for coaching and mentoring our Senior Men's team for the last three years. Alex's dedication and genuine care for our player development has laid strong foundations for our newly appointed senior coach Rick Munn.

We look forward to 2025.

In 2024, St Mary's Sporting Club celebrated a successful year in football and netball.

The senior male team topped their league but missed the grand final, while the Development Team again made the grand final and unfortunately missed in taking home the main prize. This is a testament to the club's robust junior program. The U18's Div 1 and U14's both teams made finals with Div 1 being Premiers and Champions. In 2024 we had over 200 females play football at our club. This includes approximately 40 female Auskickers which is the true foundation of our program. We had a very successful season as a female section with all teams eligible for finals making finals which is outstanding, with the Under 19 Girls winning the Premiership. Auskick was another huge success with a total of 280 registered participants.

Netball saw similar achievements with five junior teams making finals. In senior netball with four out of six senior teams reaching finals and D Grade advancing to and winning the grand final. The Club effectively integrated juniors into the senior ranks, with 14 senior players contributing as coaches in the junior section.

The Club extends gratitude to all players, coaches, team managers, officials, and supporters for their indispensable roles. With solid foundations laid, St Mary's Sporting Club looks forward to another successful season in 2025.

An amazing year for the Football Club that is loaded with local talent, winning back-to-back Senior Premierships and our Reserves also winning the flag. Our woman's team got elevated to Division 1, and the growth and development has everyone motivated, to take another big step in 2025. All our junior teams both girls and boys played the year in the right spirit and represented our community with great pride and as a club we couldn't be prouder.

The Torquay Netball Club enjoyed a successful season, with all A to E Grade teams reaching finals. We continue to invest in junior development, which resulted in three Under 13 premierships. This season also saw the introduction of our inaugural Under 19 State League team, reflecting our focus on the future. As we build on the success of our senior core, our commitment to nurturing talent at all levels remains strong.

AIREYS INLET FOOTBALL CLUB REPORT

Aireys Inlet fielded two teams - Under 10s and Under 12s. The Under 10s team was popular this year with numbers in the high 20s, managing to win the Sausage Cup a friendly annual game against Anglesea. Although the club for numbers in our Under 12s were low at the start of the season, we managed to end up with a full team half way through the season. Impressively, we had a record of 9 girls play throughout the season.

Sadly there were not many home games played at Bellbrae that involved both the Under 10s and 12s together which takes away from our sausage sizzle and ability to engage parents and carers to participate in match day activities, with many parents having players across the two divisions. Financially the club remains strong with a productive committee. The little club with a big heart is well placed for season 2025.

Season 2024 and our 2nd year was a fantastic result in terms of growth for female football. This year our numbers grew to 138, an increase of pretty close to 39%. This increase in numbers meant that we managed to field teams in every age group, some with multiple teams. We also introduced 4 female coaches this year with one of our under 19 girls Caitie Bell starting her coaching development as a co coach of our Under 14 Leopards. On field we had some amazing results and improvements in girls abilities especially our Under 14 Bulls making the grand final. We welcomed several first time footballers across all age groups which is why we started the club in the first place Overall the club is ecstatic with how much engagement we have had from the players, the families and the community and we cant wait for 2025.

Thee Winter Season 2024 saw the Suns' Netball enter teams into the highest divisions in the club's history. This was done by running optional trials for players wishing to extend their netball abilities. This proved to be successful as the season came to an end with the two 13U Division 3 teams playing off in the grand final, 13U Division 4 and 6 making the grand final, 15U Division 3 making the preliminary final and 15U division 4 making the semi final. The football teams continued to thrive with the U14 Girls making the Grand Final for the second consecutive year. The club stayed true to it's inclusive culture by entering teams across all eligible divisions for players of all abilities. We are looking forward to 2025 which will see the addition of U19 Netball and the opportunity for the U13-17 netball teams to finally be eligible to compete in the Div 1 netball competition.

TEESDALE FOOTBALL CLUB REPORT

President	Michelle Hondow
Vice President	Chris Walsh
Treasurer	Dianne Walsh
Secretary	Charlene Borg
Football Manager	Chris Walsh
Committee	Natalie Young, Anthony Borg, Shaun Patten, Lisa Patten, Casey Kavanagh

Teesdale is in its second year and was able to enter an U9s and U10s team for 2024, however, the club did find it difficult to fill full teams every week. The ability to start a club from scratch and build up with the current age restrictions is challenging, as there is a disadvantage in having Inverleigh and Bannockburn within relatively close proximity. As for the kids, they had a great year and grew so much. Teesdale pride themselves in the behaviour of our players, parents and supporters and are already working hard to field more teams in 2025.

Notes to the Financial Statements For the Year Ended 31 October 2024

The financial report covers AFL Barwon Football Commission Limited as an individual entity. AFL Barwon Football Commission Limited is a for-profit Company limited by shares, incorporated and domiciled in Australia.

The functional and presentation currency of AFL Barwon Football Commission Limited is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements, are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

Historic Cost Convention

The financial statements, except for the cash information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial report has been prepared under the historical cost convention. Australian Accounting Standard's set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Material accounting policy information relating to the preparation of these financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Revenue

The revenue recognition policies for the principal revenue streams of the Company are:

Umpire income

Umpire income is recognised when the umpiring services have been rendered.

AFL VIC Income

AFL VIC Country Insurance income - insurance income is recognised once the invoice issued to the clubs has been paid.

RAC Funding & Player Levy Subsidy - recognised upon receipt of the funds, as outlines in the agreement between AFL Barwon Football Commission Ltd and AFL Victoria Ltd.

Sponsorship revenue

Revenue from sponsorships is recognised over the term of the sponsorship agreement.

Club Payments and Finals income

Club Payments and Finals Income are recognised as event income on the day of occurrence for single-day events. For multi-day events, the income is recognised proportionally over the event's duration.

AFL Barwon Football Commission Limited

ABN: 90 160 417 845

Notes to the Financial Statements

For the Year Ended 31 October 2024

2 Material Accounting Policy Information

(a) Revenue

Contributions income

Member contributions revenue is recognised immediately when the contribution is received.

Merchandising income

Merchandise sales revenue is recorded at the point when the customer gains control of the purchased goods.

Interest income

Interest income from term deposits is recognised upon maturity of the deposit.

(b) Income tax

No provision for income tax has been raised as the company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Property, plant and equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation and any accumulated impairment losses.

The depreciable amount of all fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use and are depreciated on a straight line basis.

Fixed asset class	Depreciation rate
Office Furniture & Equipment	5 - 33%

(d) Employee benefits

The liability for long service leave is recognised and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. The liability is calculated using employee wage increases and adjusted for the probability of employee remaining in the entity's employment until the leave is expected to be taken. The liability is discounted using discount rates published by the Department of Treasury and Finance as at the reporting date. The liability includes on-costs such as superannuation and payroll tax where applicable.

Annual leave is recorded at the undiscounted amount expected to be paid based on current pay rates. The full liability for unused annual leave is recognised, as employees are entitled to cash payment for unused leave on termination of employment.

(e) Comparatives

Where required by accounting standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

AFL Barwon Football Commission Limited

ABN: 90 160 417 845

Notes to the Financial Statements For the Year Ended 31 October 2024

2 Material Accounting Policy Information

(f) New accounting standards and interpretations not yet mandatory for early adopted

Australian accounting standards and interpretations that have recently been issued or amended but are not yet mandatory, have not been earlier adopted by the Company for the annual reporting period ended 31 October 2024. The Company has not yet assessed the impact of these new or amended accounting standards and interpretations.

(g) New accounting standards and interpretations applicable this year

The Company has adopted all of the new or amended accounting standards and interpretations issued by the Australian accounting standards board that are mandatory for the current reporting period. Any new, revised or amending accounting standards and interpretations that are not yet mandatory have not been early adopted.

3 Critical Accounting Estimates and Judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amount in the financial statements. Management continually evaluates its judgments and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgments, estimates and assumptions on historical experience and other various factors, including expectations of future events, which management believes to be reasonable under the circumstances. The resulting accounting judgments and estimates will seldom equal the related actual results. The judgments, estimates and assumptions that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities, refer to the respective notes, within the next financial year are discussed below.

Employee benefits provision

As discussed in note 2(d) the liability for employee benefits, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Key estimates

The Company assesses impairment at the end of each reporting period by evaluating conditions and events specific to the Company that may be indicative of impairment triggers.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF AFL BARWON FOOTBALL COMMISSION LIMITED****Qualified Opinion**

We have audited the financial report of AFL Barwon Football Commission Limited, which comprises the statement of financial position as at 31 October 2024, and the statement of comprehensive income, statement of changes in equity and statement of cashflows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by those charged with governance.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the accompanying financial report of the company is prepared, in all material respects, in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the company's financial position as at 31 October 2024 and of its performance for the year then ended; and
- (ii) That the financial records kept by the company are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards – Simplified Disclosure.

Basis for Qualified Opinion**Revenue Completeness**

As is common for organisations of this type, it is not practical for AFL Barwon Football Commission Limited to maintain an effective system of internal control over receipts until their initial entry in the accounting records. Accordingly, our audit in relation to revenue was limited to amounts recorded.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the group in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 31 October 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report in accordance with the Corporations Act 2001, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
